

Bookstore Assessments Report 2007-2008

1. E-books

E-books program was not ready to start in 2007-2008. This program is now ready to go for fiscal year 2008-2009. Tracking these sales is now an objective for the 2008-2009 fiscal year.

2. Security

Security is still looking at security systems for the campus including the bookstore. No final decision or implementation has been made at this point. This objective is still pending at this time.

3. Safety

Store was checked daily (morning and evening) to see that walkways were clear. Opened boxes were removed as soon as they were unpacked.
