Harding University

May, 2010

Goings Family

Front row: Twins Blake & Aiden
Second row: Shane and Cheyenne
Back row: Brandon and Moriah

Gil, AnnMarie and Giovani Jimenez

Dear Alumni,

This short note will call your attention to two exceptional men and their families. Shane Goings and Gil Jimenez have completed the Bachelor of Ministry requirements and graduated from Harding University in May along with some 600 other graduates. Congratulations to these two men for their commitment to academic excellence and perseverance to finish this challenging training program.

Shane came to Harding from the Newport, Ark. area and he plans to return there to establish a drug intervention facility for women and their children. The operation has been named AnchorPointe and is a faith-based recovery program. Shane and Cheyenne have been blessed with a vision to serve the Lord in this manner and He has blessed them with support and encouragement from many people.

Long Island, New York, is the home of Gil and AnneMarie where Gil had a long and fruitful relationship with the Timothy Hill Boy's Ranch. Gil has plans to return to Long Island to plant a church and continue working with the Boy's Ranch. Both of these men and their families will be used powerfully by God in the years ahead.

On Friday, May 7, the College of Bible and Religion conducted a "Blessing Ceremony" where the faculty presented each graduate with a bowl and towel to signify their servanthood following their university work. Each graduate received a blessing and prayer from the faculty. Six more of our students who received the blessing and prayer will graduate at the end of the summer.

We have twelve full-tuition scholarships to grant for the Fall 2010 semester. Several outstanding prospects have already been accepted into CAMT. The incoming class promises to be outstanding.

We continue to ask that you keep on the lookout for other qualified applicants who want to train in ministry and study to complete the Bachelor of Ministry degree. Your influence and judgment about future ministers is greatly valued.

May God continue to bless you, your families, and your ministry.
