

Alpha Chi National College Honor Scholarship Society Scholarship Recipients and Alternates for 2009-2010

The Scholarship Committees counted it a pleasure to experience the academic work of over 100 students this year. To be exact, there were 57 Sledge/Benedict nominations, 58 Gaston/Nolle nominations, and 8 Pryor nominations. Because of a processing error, this year 11 Benedict Fellows were named instead of 10. Scholarships and Fellowships will be awarded upon verification of enrollment in full-time study in fall 2009. Winners having to decline an award and alternates will each receive a \$100 honorarium in appreciation for their submissions. If an alternate becomes a recipient and has already received his or her honorarium, the scholarship will be for \$100 less than the published prize amount.

A formal letter will be mailed to each applicant with a copy to the chapter sponsor. In addition, a press release regarding winners and alternates will be sent to the appropriate PR offices. Thank you to all the chapter sponsors who helped students prepare their scholarship applications this year.
