National Convention Minutes

1. The National Convention of Alpha Chi met 2-4 April 2009 at the Hyatt Regency in Indianapolis, Indiana, with the theme "Literacy 500." Dr. Clark Youngblood, president of the National Council, convened the first session of the convention at 7 p.m. in the Regency Ballroom for the opening banquet. Dr. Youngblood delivered the invocation. After the meal was served, Ms. Natalie Cammarata, student representative from Region VII, read the names of the Sponsor Service Pin recipients. The following received their 10-year pin: Prof. Bruce Grant, Widener University, 10 years; Prof. Sheila Greenlee, Christopher Newport University, 10 years; Dr. David Jones, Westminster College, 10 years; Dr. Gretchen Mooningham, Saginaw Valley State University, 10 years; Ms. Ella Moore, Jackson State University, 10 years; Dr. Lynn White, Southern Utah University, 11 years; Prof. Catherine Anthony, Clearwater Christian University, 12 years; Dr. Kate Stewart, University of Arkansas at Monticello, 13 years; Prof. Bill Potter, Hawaii Pacific University, 14 years. The following received their 15-year pin: Dr. Alma Byrd, 15 years; and Prof. Ruby Blair, 18 years, both of Benedict College; Dr. Lin Garner, Lipscomb University, 15 years; Dr. Kenneth LaSota, Robert Morris University, 17 years; Ms. Betty-Jane Meader, Thomas College, 18 years; Dr. Kenneth Rumstay, Valdosta State University, 18 years. The following received their 20-year pin: Dr. Jay S. Paul, Christopher Newport University, 20 years, Dr. Kathy Peterson, Grand View College, 20 years; Dr. William Soeffing, University of Sioux Falls, 20 years; Dr. Floyd Tesmer, Strayer University, 20 years; Dr. Tom Zaniello, Northern Kentucky University, 20 years. One 25-year pin went to Dr. Clark Youngblood, Grand Canyon University. Receiving their 30-year pins were the following: Dr. Ellen Millsaps, Carson-Newman College, 30 years; Dr. Bethany Sinnott, Catawba College, 30 years; Dr. Howard Smolleck, New Mexico State University, 30 years; Dr. Norman Beck, Texas Lutheran University, 34 years.

Next Dr. Youngblood informed the convention of the need to elect four faculty members to the National Council for the 2009-2013 term. Those candidates submitted by the National Council were as follows: Judy Cheatham, Juliana Ee, Patricia Graham, David Jones, Patricia Nwosu, Terrell Tebbetts, Patricia Williams, and Clark Youngblood. A call for nominations from the floor was made. A motion was made to close the nominations. Motion carried. Ms. Stacey Alexander, student representative from Region II, then introduced each candidate, who in turn gave a short introductory speech to the convention. It was announced that the elections would be held in the Friday morning business meeting. Ms. Lindsey Woodland, student representative from Region IV, introduced David L. Harrison, who delivered the keynote address for the convention titled "Promoting Literacy: How Each of Us Can Make a Difference." Following the address, Dr. Patricia Williams, faculty member of the National Council, gave a preview of the chapter workshops to be held on Friday and Saturday mornings. Dr. Ellen Millsaps, vice president of the National Council, informed the convention about the National Service Project: Literacy 500. After a series of general announcements, the convention moved to the Cosmopolitan Ballroom for a "Pit Crew Party" of line dancing, mingling, and lots of fun.

2. Activities for Friday, 3 April, began with a continental breakfast sponsored by the National Council from 7:00-8:15 a.m. At 7:20 a.m. three workshops, Ultimate Money Skills, Secrets to Grad School Admissions, and Chapter Sponsor Enrichment, were held. At 8:30 a.m. President Youngblood reconvened the convention in the Regency Ballroom. Mr. Don Hughes, student representative from Region III, explained the procedure for voting for faculty members on the National Council. Voting by ballot then took place. Dr. Kerry Bruns, sponsor from Southwestern University, then introduced the 2009 Distinguished Alumnus, Dr. Robert W. Sledge. Dr. Sledge presented a talk on the history of Alpha Chi. After his speech, Dr. Youngblood presented Dr. Sledge with the 2009 Distinguished Alumnus Awards. Next Dr. Bill Short, member of the National Council, announced the winners of the Gaston Scholarships and the winners and alternates of the Nolle Scholarships. Dr. Lori Mills, member of the National Council, announced the winners of the Sledge Fellowships and the winners and alternates of the Benedict Fellowship. Dr. Al Clark, member of the National Council, announced the winners and alternates of the Pryor Alumni Fellowship.

The recipients of the \$3500 Robert W. Sledge Fellowship for full-time graduate or professional study during the 2009-2010 academic year were Olivia Denise Ellis of Carson-Newman College and Christopher Robert Middaugh of Lyon College. The recipients of the \$2500 H.Y. Benedict Fellowship for full-time graduate or professional study during the 2009-2010 academic year were (alphabetically): Aaron Baldridge, Lyon College; Abbie Bergdale, Waldorf College; William Timothy Braun, Huntington University; Ashley L. Brooks, Chowan University; Andrew Colbert, Geneva College; Margot Conover, Christopher Newport University; Brittany Renee Helton, Cascade College; Tamami Norizuki, University of Texas at San Antonio; Madison Saniuk, Abilene Christian University; Laura Ashley Swatzyna, Roanoke College; Steven Allen Wease, Northern Kentucky University. [Abbie Bergdale subsequently declined and made the first alternate, Andrew Abordonado, a recipient. Also William Braun declined and made the second alternate, Amanda Sorensen, a recipient.]

Alternates for the Benedict Fellowship were (in order): (1) Andrew Abordonado, Hawaii Pacific University; (2) Amanda Sorensen, John Brown University; (3) Kyle N. Brooks, Azusa Pacific University; (4) Jessica Matlack, Texas Lutheran University; (5) Alexandra Krueger, Marymount Manhattan College.

The recipients of the \$2500 Edwin W. Gaston Scholarship for full-time undergraduate study during the 2009-2010 academic year were Lauren Therese DeJoy, SUNY College; Nicholas Thomason Michael, Harding University. The recipients of the \$1500 Alfred H. Nolle Scholarship for full-time undergraduate study during the 2009-2010 academic year were (alphabetically): Rebecca Bennie, Lipscomb University; Bethany Boyenton, Carson-Newman College; Natalie Anne de Regnier, Grand View University; Sarah Nicole Fischer, Gardner-Webb University; Abigail Eileen Forester, Methodist University; Larisa Greve, Wartburg College; Ngaire Noelle Honey, Wartburg College; Cyle Andrew Petersen, Catawba College; Irving Paul Ray, Sam Houston State University; Nicholas Zehner, Anderson University.

Alternates for the Nolle Scholarship were (in order): (1) Marisa Smith, Harding University; (2) Debra Oliveras, Dominican College; (3) Heike Baird, Anderson University; (4) Matthew D. Falter, Lander University.

The recipient of the Joseph E. Pryor Graduate Fellowship for full-time graduate study during the 2009-2010 academic year were, Doctoral Winner, \$5000: Barbra N. Lukunka, Missouri Southern State University; the alternate was Barbara L. Strother, Azusa Pacific University; the Master's Winner, \$3000: Renae Marie Nemmers, Waldorf College; the alternate was Elaine M. Slayton, Lyon College. [Ms. Nemmers subsequently declined, and the award was given to the alternate, Elaine Slayton.]

Following a series of general announcements, Dr. Youngblood then recessed the business session, and at 9:45 a.m. the first round of student presentations (fifteen concurrent sessions of four papers each) began. Another round, likewise of fifteen concurrent sessions of three papers each, ran from 11:00 to 11:45 a.m. Simultaneously on both Friday and Saturday mornings, student artwork and poster presentations were on display in the Network Room. Brown's Graduations Supplies and Awards Company, official Alpha Chi supplier, displayed Alpha Chi items and convention memorabilia during registration and regular convention hours.

3. At noon the regions met in separate rooms to conduct necessary business. Upon the conclusion of these meetings, delegates were free to have lunch and enjoy Indianapolis. From 2 to 3 p.m., selected students, sponsors and members of the National Council participated in a book delivery and reading at Riley Hospital for Children as a culmination of this year's service project. From 5 to 6 p.m., the National Council and regional presidents and vice presidents, met to discuss plans for the combined regional convention in 2010. From 6:00 to 11:48 p.m., members of the National Council assembled for a meal and continuation of the National Council meeting which had begun at 8:05 a.m. on Thursday. As part of an effort to increase communication between regions and the national organization, the regional presidents and vice presidents were guest of the National Council at the dinner.

4. Saturday, 4 April 2009, began with a continental breakfast sponsored by the National Council from 7 to 8:15 a.m. From 7:20 to 8:15 a.m., delegates could visit poster displays by ten chapters on their local activities and could also participate in their choice of eight chapter life workshops. From 8:30 to 9:15 a.m., the first round of student presentations (thirteen concurrent sessions of three papers each) began. Another round, likewise of thirteen concurrent sessions of three papers each, ran from 9:30 to 10:15 a.m.

5. President Youngblood called the final session of the convention to order at 10:30 a.m. Dr. Janutolo, secretary of the National Council, gave the Audit Committee's report stating that all financial activities of the society were deemed to be in order. Dr. Youngblood then gave special recognition to Dr. Terrell Tebbetts as a retiring member of the National Council. Dr. John Thorndike, member of the National Council, presented the Distinguished Service Awards to the following persons: Norman Beck, sponsor of the chapter at Texas Lutheran University and past Region I officer; Sharon Behl Brooks, chapter sponsor at Hastings College and past Region IV officer; Judy Cheatham, sponsor at Greensboro College and past Region III officer; Gregory Clemons, sponsor at Mars Hill College and Region III President; Margaret A. FitzGerald, Secretary-Treasurer of Region VI from Pace University; David K. Jones, chapter sponsor at Westminster College, vice president of Region IV; Alison M. Mostrom, sponsor at the University of the Sciences in Philadelphia; J. William Potter, sponsor of the chapter at Hawaii Pacific University and past Region VII officer; Howard A. Smolleck, chapter sponsor at New Mexico State University and past Region I officer; and E. Kate Stewart, sponsor at University of Arkansas at Monticello and past Region II officer.

Dr. Dennis Organ, executive director of Alpha Chi, presented the Executive Director's Awards. The Executive Director Award carries with it a cash prize of \$500. Recipients of the award are chosen by the National Office staff based on the recipients' dedication to their students, to the chapter, and to Alpha Chi in general. This year's winners of the Executive Director's Award were Dr. June Hobbs of Gardner-Webb University and Dr. Floyd Tesmer of Strayer University.

Student Representatives Samantha Caszatt, Mimi Hoffman, and Lindsey Woodland presented the Convention Presentation Prizes as follows:

Dr. Michael Flachmann announced that Evangel University, Missouri Rho, was the winner of the Outstanding Chapter Award. The President's Cup was presented to the chapter and sponsor, Dr. Laynah Rogers.

Dr. Tebbetts, chair of the Resolutions Committee, presented the following resolutions as Alpha Chi National Scholarship Honor Society expressed its appreciation

to Herff Jones for its generous donation of the convention t-shirts;

to Mr. Tim Brown of Brown's Graduation Supplies for his support of the convention;

to the Bank of America for its provision of a convention workshop;

to Princeton Review for its provision of a convention workshop;

to the Hyatt Regency and in particular to Melanie Cassetty and the staff, for its efficient, cooperative, and pleasant provision of service for the convention;

to David Harrison for his witty and inspiring keynote address at the 2009 National Convention;

to Dr. Rob Sledge, 2009 Distinguished Alumnus, for his engaging and informative address at the 2009 National Convention;

to Marlea Johnson for her expert services in providing technological support for the 2009 National Convention;

to Mr. Christopher Moore for his guidance in preparing a plan for the endowment fund;

to Encore Entertainment for its services at the opening night mixer;

to Dr. Ellen Millsaps, to Riley Hospital, to Dr. Bill Clemente, to Scholastic Book Fairs, and to all the book donors who conceived and facilitated the convention service project;

to Dr. Dennis Organ, Lara Noah, and Melinda Hicks for their efficient facilitation of the 2009 National Convention;

to the sponsor presidors and judges for their service in making the 2009 convention successful; and

to all the student presenters for their willingness to share their scholarship with their peers.

After making a series of general announcements, Dr. Ellen Millsaps encouraged those present to make plans to attend the combined regional convention next year in Little Rock, Arkansas. A short video was shown introducing the delegates to Little Rock. At the beginning and the end of this general business session a video put together by Dr. Bill Clemente highlighting the convention service project was shown. Dr. Youngblood then adjourned the convention.

*Respectfully submitted,
Delano B. Janutolo
National Council Secretary*

Alpha Chi Proceedings Recorder, Vol. 52, No. 2, Fall 2009

National Council Meeting Minutes

1. Dr. Clark Youngblood, president of the National Council, convened the first session of the Council at 8:05 a.m., 2 April 2009, at the Hyatt Regency in Indianapolis, Indiana. Members present were: Stacey Alexander, David Basena, Natalie Cammarata, Samantha Caszatt, Al Clark, Bill Clemente, Shayan Davoudi, Peg FitzGerald, Michael Flachmann, Mimi Hoffman, Donald Hughes, Blake Janutolo, Ann Kneavel, Lori Mills, Ellen Millsaps, Suzanne Pundt, William Short, Terrell Tebbets, Jonathan Thorndike, Patricia Williams, Lindsey Woodland, and Clark Youngblood. Also present were Executive Director Dennis Organ, Director of Operations Lara Noah and Chapter Relations Manager Melinda Hicks.

2. Dr. Blake Janutolo welcomed the National Council to the Hoosier State. Roll call was conducted by Council members telling about a food they would like to eat four or five times a week.

3. President Youngblood presented a proposed agenda. Williams/Short moved to accept the agenda as presented. Motion carried. Short/Kneavel moved to accept the minutes of the last National Council meeting as recorded in the *Alpha Chi Recorder*, Vol. 51, No. 2, pp. 2-9. Motion carried.

4. **Previous Action.** The National Council took official action by e-mail during this last year and approved five governance policies. IRS strongly advised nonprofit organizations to adopt these policies. The policies are as follows: Conflict of Interest Policy, Whistleblower Policy, Document Retention and Destruction Policy, Policy on the Process for Determining Compensation, and Joint Venture Policy. Copies of these policies are on file in the National Office.

5. **President's Report.** Dr. Youngblood began his report by expressing his heartfelt gratitude to a most excellent Executive Director and National Office Staff and superb fellow National Officers and National Council members, who routinely go the second mile in terms of service and spirit of cooperation.

Executive Committee Meeting. The Executive Committee met this past summer in San Diego, California. Actionable items that came out of the meeting included: (1) advertise for an archivist on list serve. This resulted in a candidate that will be considered in executive session. (2) Two documents to aid in the search for an executive director when Dr. Organ retires were approved and forwarded to the Executive Director Search Committee. The first document was a job description for the executive director written by Dr. Organ, and the second document was a timeline and procedure for the search process written by Dr. Janutolo. (3) The Executive Committee determined that, before the Executive Director Search Committee can go forward with its assigned task, several questions need to be answered by the National Council. Illustrative of these questions are the following: Should the job be full-time or part-time? Should the job be divided into two part-time jobs? (For example, a part time Executive Director and a part-time Chapter Relations Ambassador could share the responsibilities of the job.) Would the Executive Director (full-time or part-time) have to live in Searcy? (4) Since the summer meeting, Dr. Organ has communicated to the Executive Committee his desire to delay his retirement for at least one year. The Executive Committee gladly concurred with this decision. Thus, the Executive Committee will set in place procedures for the search that can then be implemented at the proper time in a smooth manner.

Association of College Honor Societies. President Youngblood served on the Program Committee of the Association of College Honor Societies, attended the annual meeting, February 2009, in Phoenix, Arizona, introduced a workshop speaker, and also introduced a plenary session speaker.

Miscellaneous Duties. Dr. Youngblood fulfilled miscellaneous duties of the office largely through e-mail communication; he polled the National Council membership concerning preferences for committee service and assigned members to committee in accordance with their preferences, but failed to send the "Performance Appraisal of Alpha Chi Executive Director by National Council Members" form to the National Council in January or February. Following the old adage of "Better late than never," President Youngblood emailed the form as an attachment a few days prior to the National Council meeting with the request that members print the form, fill it out and bring it to Indianapolis.

New Chapters. Erskine College in South Carolina has been approved as a new chapter. Dr. Tebbetts will install the chapter later this spring.

The President's Report was accepted by consensus. Following the President's Report, Dr. Youngblood led a discussion of the questions about the executive director's search contained within the President's Report. After a lengthy discussion Short/FitzGerald moved to refer the discussion to the Executive Director's Search Committee. Motion carried.

5. Executive Director's Report: The format of this year's report is responses to objectives of the current Strategic Plan. Although not all the initiatives are the responsibility of the national office, this report summarizes the entire plan.

Strategic Goal #1: Alpha Chi will promote the aims and ideals of the organization.

Objective #1: To maintain an annual registration total of at least 10,000 undergraduate members.

Registrations for 2007-08 met this goal.

Initiative #1: Conduct mass mailing to schools without national honor society chapters to invite them to explore Alpha Chi with the goal of adding 3-5 new chapters per year.

A mass promotional mailing was sent in summer 2008 to several hundred colleges and universities. To date, we have had one successful chapter application. Previous mass mailing generated evidence of much more interest in Alpha Chi. One possible reason for the difference is that detailed information is on our web site, the address of which was given in the mailing, rather than having to be sought directly from our office. Other factors, I believe, are increased competition from other honor societies and a degree of saturation of our primary market.

Initiative #2: Endeavor to reactivate inactive chapters.

At my request, because of her experience and her contact in Texas, Patricia Williams has been working to revive chapters at three large institutions-Texas State University-San Marcos, University of Texas at Arlington, and Stephen F. Austin State University. As a result, a new sponsor has just been appointed at SFASU. Retirement of long-time sponsors has left a void in these chapters, and administrators are difficult to persuade on the value of Alpha Chi. My own efforts to initiate renewal at a few chapters where I have ties have been unsuccessful so far. Successful renewals are those begun by the schools themselves, and when we are contacted, we give immediate support. In the last year, reactivations have occurred at Lindsey Wilson College, Lander University, and Cumberland University. Eastern University in Pennsylvania investigated reactivation but decided to drop Alpha Chi.

Initiative #3: Encourage chapters to find marketing strategies on campus to increase visibility and improve acceptance rates.

We have done this through occasional AX List messages about various strategies, for example, how to begin to induct graduate students.

Objective #2: To select a new Executive Director to be ready to take over when the current Executive Director retires.

Initiative #1: Develop a job description for the executive director position.

This has been completed.

Initiative #2: In addition to the directions provided by the National Council in March 2007, to examine (a) issues involved in keeping the National Office at Harding and (b) the pros and cons of appointing a full-time National Director.

This has been essentially completed by the Executive Committee.

Objective #3: To develop a service project in which Alpha Chi chapters across the nation would participate, both for service and to increase the media exposure of Alpha Chi.

Initiative #1: Explore the possibility of an Alpha Chi National Service Day in Fall 2008. We did not pursue the concept of a service day, but after adoption of the literacy theme for the national convention, we encouraged chapters to adopt the theme for the year and to promote it.

Initiative #2: Develop a national service project to take place at the national convention in Indianapolis in 2009, perhaps including chapters that cannot attend the convention.

This has been accomplished through the leadership of Vice President Ellen Millsaps.

Initiative #3: Develop a national service project involving Heifer International to take place at the Joint Regional Convention in Little Rock in 2010.

Information is available for a decision on this possibility, to be considered by the National Council and regional officers.

Objective #4: To improve the databases and electronic systems in the National Office, including the development of an online registration system for new members.

Initiative #1: Have a systems analyst review the hardware and software in the National Office and make a report in time for the National Council to review at its 2008 meeting in April. A consultant was engaged and has been at work on this for several months. We are disappointed in the slow progress in receiving his recommendations, but he seems to be working more seriously in recent weeks. Information will be sent to the Council as soon as possible. The need for financial and technical support for this enterprise must be considered carefully.

Objective #5: To prepare an operations manual listing all National Council mandates and guidelines.

Initiative #1: Have Alpha Chi's Director of Operations collect pertinent National Council motions and prepare a draft operations manual for the National Council to review at its meeting in 2008.

This process is still underway.

Objective #6: To incorporate successfully graduate student members into Alpha Chi.

Initiative #1: Encourage all member schools with graduate programs to induct graduate students.

This concept has been promoted through e-mail correspondence and is to be addressed at the sponsors workshop at the 2009 convention. To date, 37 chapters (about 20 percent of our schools with graduate programs) have registered graduate student members, with 10 of them registering only one each.

Initiative #2: Monitor carefully the graduate student membership to (a) increase the number of national scholarships and (b) create graduate student convention prizes, as appropriate.

Induction of graduate student members: 420 for 2007-08 and 226 (to date) for 2008-09. The 2007-08 total represents about 4% of all inductions. On the 2009 convention program, of about 200 presenters, 11 are graduate students and 2 are alumni. There are only eight Pryor Fellowship applications in 2009.

Initiative #3: Have regions decide on eligibility of graduate students for regional prizes and scholarships.

This is to be a topic of the planning meeting of the National Council and regional officers in 2009.

Objective #7: To explore and respond to the changing complexities of higher education. Because of recent inquiries about Alpha Chi from institutions that now offer limited four-year programs but are historically two-year schools, the National Council needs to establish a policy that can be followed consistently with such schools when they inquire about or apply for a charter.

Strategic Goal #2: Alpha Chi will hold successful national and joint regional conventions.

Objective #1: To make student and sponsor housing at conventions affordable.

Initiative #1: Offer quad rooms and double rooms at both national conventions and at joint regional conventions.

This was accomplished.

Objective #2: To increase the attendance and participation at Alpha Chi conventions by inviting graduate student and non-traditional student members to attend and present.

A strategy to increase attendance in 2009 was to invite specific sponsors to assist with judging if their chapters have not had a history of good conventions attendance. Approximately twenty-five such chapters are present in Indianapolis, although some do not include student delegates.

Initiative #1: Consider separate prizes for graduate student presenters who may present alongside undergraduates.

The Awards Committee and the Graduate Student Members Issue Committee have been given the data (11 graduate members presenting in Indianapolis).

Objective #3: To add convention prizes as needed.

Initiative #1: Complete the endowment of selected undergraduate prizes at national conventions.

Three categories were funded in 2008 through gifts from Blake and Trish Janutolo, Floyd and Rosana Tesmer/D.C. Gamma, and Region I in honor of Jim Kirby. Two categories remain unnamed--World History and

Political Science/Economics/Social Science--although awards are to be given in those fields, plus another award in a small miscellaneous category.

Initiative #2: Encourage all regions to offer prizes to students presenting from their regions at joint regional conventions.

Because a consensus decision is to have one combined student presentation program in 2010, awarding separate regional prizes seems problematic. Perhaps regions could fund some of the general presentation prizes, along the lines of those given at national conventions.

Objective #4: To plan, organize, and hold a successful joint regional convention in the Peabody Hotel in Little Rock, Arkansas, in 2010.

All of the following are to be addressed in the planning meeting of the National Council and regional officers in Indianapolis.

Initiative #1: Seek help from the host region and regional officers to prepare for joint regional conventions.

Initiative #2: Ask each region to create and host a chapter workshop.

Initiative #3: hold a meeting on Saturday to announce regional scholarships, national scholarships, convention presentations, etc.

Initiative #4: Maintain regional identity by combining regional luncheon/business meeting/election of new officers and by encouraging optional regional activities.

Initiative #5: Support the joint regional convention in Little Rock with a national subsidy.

Initiative #6: Assess the 2010 convention.

Objective #5: Rotate national conventions among all seven regions (as well as the joint regional conventions if they are continued).

Initiative #1: Consider San Diego and Boston for the 2011 and 2012 convention, not necessarily in that order.

The Executive Committee made a site visit to San Diego in June/July 2008 and signed a hotel contract for 2011. Tentative plans were made to seek a 2012 site during the summer of 2009, but because of the current economic unrest and the unpredictable success of the 2010 joint regional meeting, I recommend that a decision be deferred until 2010.

Initiative #2: Hold conventions in easily accessible cities. Examples: Region I: San Antonio, Albuquerque, Austin; Region II: New Orleans, Houston, Oklahoma City, Little Rock, Dallas; Region III: Atlanta, Charlotte, Orlando, Washington D.C., Nashville, Winston-Salem; Region IV: St. Louis, Kansas City, Denver, Minneapolis; Region V: Chicago, Louisville, Indianapolis, Detroit; Region VI: Boston, New York City, Philadelphia, Baltimore; Region VII: San Diego, Las Vegas, San Francisco, Phoenix, Portland, Seattle, Los Angeles, Salt Lake City.

Strategic Goal #3: Alpha Chi will maintain adequate funding for the business and activities of its national and regional organizations.

Objective #1: To use the Alpha Chi endowment conscientiously to support the goals and activities of Alpha Chi.

Initiative #1: Allow the Executive Director to spend up to 10% of the endowment within a two-year cycle on Alpha Chi goals and activities without obtaining the permission of the National Council.

It appears that we will need to tap the endowment fund for 2009 expenses, but if we commit up to 5% in 2009 and 5% in 2010, we should have approximately \$135,000 available for use in 2010 as needed for the 2010 joint regional convention and any other expenses. Our endowment funds have seen sizable losses in value, of course, but the March 1, 2009, total was \$1.329 million.

Objective #2: To use regional treasuries conscientiously to support the goals and activities of their regions.

Initiative #1: Encourage Regional Executive Committees to increase the use of regional funds to support scholarships and travel to conventions.

Support from the regions for the 2009 convention has been good. One example of new initiatives is this from a memo from Region I: "At our August 19 Region I officer's meeting, we decided to: (1) send \$2000 to the national office to begin the endowment of a "Jim Kirby Scholarship" award, the particular discipline to be decided by national office; (2) increase the subsidy of convention attendance by \$200 (from \$300 to \$500) for

one sponsor and up to two presenting students; 3) subsidize new or “reactivating” chapters (have not attended a convention in eight years) with an additional one-time \$500 for attending a convention; and (4) begin a new scholarship award of \$200, to be awarded to each chapter’s best presentation at a convention.”

Objective #3: Identify a hotel chain that might be able to host several consecutive conventions in order to obtain the best rates.

This idea has not been pursued, though in the past we have looked at the possibility with Hyatt. The disadvantage is that such chains do not always have a suitable property in a city we’re interested in, or the property is not the best in terms of location or price.

Strategic Goal #4: Alpha Chi will support chapters, sponsors, and regional officers.

Objective #1: To provide support for new sponsors.

Initiative #1: Pair new sponsors with veteran sponsors to orient them to the operations of the local chapter as well as regional and national activities.

No work has been done yet on this idea.

Initiative #2: Offer a workshop for new sponsors at every convention.

The 2009 convention is to have a sponsors workshop, but no one specifically for new sponsors.

Objective #2: To promote better communication among regional officers.

Initiative #1: Schedule a reception for regional officers before the customary National Council/regional officers’ dinner on Friday night as a way for regional officers to learn from each other and network.

In 2009 there is an urgent need for planning for the 2010 convention, and a planning meeting of this group is scheduled instead of a reception.

Objective #3: To assist new chapters, Alpha Chi will assign them sister chapters.

This has not been done. We added no new chapters in 2008.

Objective #4: To help sponsors, a time for training, interaction, and sharing to which all chapter sponsors will be invited will be organized.

A sponsors workshop is planned for the 2009 convention.

Strategic Goal #5: Alpha Chi will continue marketing initiatives.

Objective #1: To increase Facebook presence.

Lara Noah monitors the Facebook group, now with 1,520 members, and posts announcements of interest.

Objective #2: To post video clips on the Alpha Chi website to provide information for sponsors, members, and prospective members.

Initiative #1: Develop a video clip introduction to Alpha Chi.

No work has been done on this project.

Initiative #2: Create video clips of Star Chapters activities, national convention highlights, etc., perhaps through a competition among Alpha Chi chapters.

No work has been done on this project.

Objective #3: To seek media coverage by providing Alpha Chi members and sponsors participating in national service project event-related T-shirts to be worn while completing each project.

Riley Children’s Hospital is assisting with media invitation to the book presentations on April 3, 2009, in Indianapolis.

7. **Preliminary Report of the Convention Committee.** Dr. Millsaps reviewed the different events planned for the 2009 National Convention in Indianapolis. The speaker at the banquet will be author David Harrison. Dr. Millsaps also discussed the service project planned with Riley Hospital. The report was accepted by consensus.

8. **Report of the Archivist.** Dr. Sledge has resigned the position of Archivist. A candidate for the position will be presented to the Council during the executive session. Dr. Patricia Williams visited Southwestern University during her spring break and viewed the archives and provided the following recommendations: (1) The archives remain at Southwestern University under the supervision of Ms. Stallard and her staff. (2) Presently we are using 17 linear feet of space in the library at Southwestern University. Perhaps some of the correspondence can be put on CDs or consider some other permanent way of storing all the materials rather than having all paper copies. (3) The collection has few items after 2007. People should be encouraged to submit

material from 2007 to the present. (4) It is suggested the new archivist could give direction concerning what needs to be added to the collection or what needs to be weeded from the collection. The report was accepted by consensus.

9. Audit Committee: The Audit Committee reviewed the report of the auditing firm Miller and Rose P.L.L.C., Certified Public Accountants, and accepted their report of the 2008 records. The committee ascertained that the National Office of Alpha Chi Procedures Manual was being kept up-to-date. The committee reviewed all financial matters voted on by the Council in their last meeting to see if they were actually accomplished according to the vote. All financial matters voted on in 2007 were accomplished according to the vote. The committee discussed the feasibility of combining the Audit Committee with the Finance Committee. It was agreed that the limited work of the Audit Committee could easily be accomplished by a combined committee. The chair of the committee was instructed to bring a motion to combine the two committees to the National Council. The committee submits the following on-going recommendation: (1) continue to ask for substantiating documentation when National Council members or National Office staff members seek reimbursement for expenses. The committee commends the Executive Director and the Director of Operations for the number of internal controls in place. The Audit Committee moved the Audit Committee and the Finance Committee be combined. Motion carried. The report of the Audit Committee was accepted by consensus.

10. Scholarship Committee. Dr. Janutolo reported that the Scholarship Committee met on Wednesday, 1 April 2009, and reviewed the applications of 58 Gaston/Nolle Scholarship and 57 Sledge/Benedict Fellowship applicants.

The recipients of the \$3500 Robert W. Sledge Fellowship for full-time graduate or professional study during the 2009-2010 academic year were Olivia Denise Ellis of Carson Newman College and Christopher Robert Middaugh of Lyon College. The recipients of the \$2500 H.Y. Benedict Fellowship for full-time graduate or professional study during the 2009-2010 academic year were (alphabetically): Aaron Baldrige, Lyon College; Abbie J. Bergdale, Waldorf College; William Timothy Braun, Huntington University; Ashley L. Brooks, Chowan University; Andrew Colbert, Geneva College; Margot Conover, Christopher Newport University; Brittany Renee Helton, Cascade College; Tamami Norizuki, University of Texas at San Antonio; Madison Saniuk, Abilene Christian University; Laura Ashley Swatzyna, Roanoke College; Steven Allen Wease, Northern Kentucky University. [Abbie Bergdale subsequently declined and made the first alternate, Andrew Abordonado, a recipient. Also William Braun declined and made the second alternate, Amanda Sorensen, a recipient.]

Alternates for the Benedict Fellowship were (in order): (1) Andrew Abordonado, Hawaii Pacific University; (2) Amanda Sorensen, John Brown University; (3) Kyle N. Brooks, Azusa Pacific University; (4) Jessica Matlack, Texas Lutheran University; (5) Alexandra Krueger, Marymount Manhattan College.

The recipients of the \$2500 Edwin W. Gaston Scholarship for full-time undergraduate study during the 2009-2010 academic year were Lauren Therese DeJoy, SUNY College at Brockport; Nicholas Thomason Michael, Harding University. The recipients of the \$1500 Alfred H. Nolle Scholarship for full-time undergraduate study during the 2009-2010 academic year were (alphabetically): Rebecca Bennie, Lipscomb University; Bethany Boyenton, Carson-Newman College; Natalie Anne de Regnier, Grand View University; Sarah Nicole Fischer, Gardner-Webb University; Abigail Eileen Forester, Methodist University; Larisa Greve, Wartburg College; Ngairé Noelle Honey, Wartburg College; Cyle Andrew Petersen, Catawba College; Irving Paul Ray, Sam Houston State University; Nicholas Zehner, Anderson University.

Alternates for the Nolle Scholarship were (in order): (1) Marisa Smith, Harding University; (2) Debra Oliveras, Dominican College; (3) Heike Baird, Anderson University; (4) Matthew D. Falter, Lander University.

11. Committees. The work of the National Council is expedited through preliminary deliberations conducted by small groups of Council members. These committees, some of which are constitutional and some of which are created as needed, had already been announced. They are reported here for the record. Chairpersons are indicated by asterisks. Executive Committee members are often appointed ex-officio, non-voting liaisons to some of the committees.

12. Long Range and Strategic Planning Committee. Dr. FitzGerald brought forth one motion from the Long Range and Strategic Planning Committee. The committee moved to postpone the commitment to contract a site for the joint regional conference of 2012 by one year. Motion carried. The committee's report was accepted by consensus.

13. The first plenary was recessed by President Youngblood at 10:28 a.m. Several committees met to do their work at this time. At 7:30 p.m. on April 3 2009, Dr. Youngblood reconvened the National Council for Plenary II.

14. Alumni Committee. Dr. Clark reported that the recipients of the Joseph E. Pryor Graduate Fellowship for full-time graduate study during the 2009-2010 academic year were: Barbra N. Lukunka, alumna of Missouri Southern State University, the \$5000 doctoral winner (with alternate Barbara L. Strother, Azusa Pacific University); and the \$3000 master's winner was Renae Marie Nemmers, alumna of Waldorf College (with alternate Elaine M. Slayton, Lyon College). [Ms. Nemmers subsequently declined, and the award was given to the alternate, Elaine Slayton.] Dr. Clark raised a concern about the low number of persons applying for the Pryor Fellowship. The report of the Alumni Committee was accepted by consensus.

15. Awards Committee. Dr. Flachmann reported that Evangel University, Missouri Rho, was the winner of the President's Cup for the Outstanding Chapter. The report was approved by consensus.

16. Executive Director Search Committee. Dr. Tebbetts moved that the Executive Director's position be moved to a full-time position upon the retirement of Dr. Organ. Motion carried. Dr. Tebbetts moved that the National Office remain at Harding University and the executive director be expected to direct the day-to-day operations *from* Searcy. (Implicit in this motion is that the executive director would have residence near or in Searcy.) Kneavel/Flachmann moved to amend the original motion to read that the National Office remain at Harding University and ask Harding University to give us a memorandum of understanding. Motion failed. The original motion was then called. Motion failed. Janutolo/Short then moved that the National Office remain at Harding University and the executive director be expected to direct the day-to-day operations *in* Searcy. (Implicit in this motion is that the executive director may or may not reside near or in Searcy.) Motion carried. Dr. Tebbetts then presented a preliminary list of qualifications desirable in a new executive director. Those include: (1) college degree with preference for advanced academic degrees, (2) good management and relational skills, (3) experience with honor societies, (4) ability to articulate the mission and ethos of Alpha Chi, (5) ability to supervise staff, (6) familiarity with fund-raising, philanthropy and grant writing, and (7) innovative person who can think outside the box. The report of the committee was accepted by consensus.

17. Finance Committee. Dr. Patricia Williams reported that Christopher Moore had reviewed Alpha Chi's investment portfolio and made several recommendations for possible implementation in the coming years. The Finance Committee moved that the Council accept Moore's recommendation to move over time from current allocations in the investment portfolio to an allocation which would be 60% in fixed income and 40% in equity

stock funds. Motion carried. The Finance Committee moved that \$185,000 (\$135,000 for the 2010 combined regional meeting and \$50,000 for the 2011 national meeting) be moved to safe investments in the endowment fund until the funds are spent. Motion carried. The Finance Committee moved that to save on costs the Proceeding's issue of the *Recorder* and print copies of the newsletters be eliminated. Motion carried. Williams/FitzGerald moved that a letter of thanks be sent to Christopher Moore for his generous service to Alpha Chi. Motion carried.

18. Graduate Student Members Issues Committee. Suzi Pundt reported that the committee responded to questions from the National Office concerning graduate student participation in Alpha Chi. Question 1: Should there be concern about the relatively low level of interest in the Pryor Fellowship? The committee responded that we shouldn't be concerned but motivated to encourage chapters to increase awareness among *all* inductees. Question 2: Are there ways Alpha Chi needs to encourage chapters to invite, and then involve, graduate students? The committee suggested sponsor workshops that focus on providing models to help schools develop criteria for induction. Question 3: Are there benefits or services Alpha Chi can provide or promote that will be especially attractive to graduate students? The committee suggested the following: (1) publicize the availability of scholarly publications and presentations through Alpha Chi, and explore the possibility of peer review for the alumni issue of the *Recorder*, (2) develop an online career service, (3) provide networking opportunities at the convention, Facebook, LinkedIn, or by publishing a directory, (4) institute presentation prizes for grads only, (5) allocate dollars for them to attend conventions, (6) give dissertation/thesis awards, and (7) survey the graduate students to find out what they would want as benefits from Alpha Chi membership. The committee also suggested that no distinction be made between undergraduates and graduates as to representation on the National Council. The committees report was accepted by consensus.

19. Regional Secretary-Treasurer Reports. The seven regional secretary-treasurers reported on the events occurring in their regions and at the regional meetings. Details of their reports will appear in the minutes of the business meeting of each region.

20. Honorary Membership Committee. The Honorary Membership Committee reviewed the list of 2009 nominations for honorary membership and recommended that, because all those nominated have shown special interest or proficiency in scholarship and that their elections shall be deemed to be in the best interest of the Society, they should be granted honorary membership. The Honorary Membership Committee moved that the list of nominees, as distributed be granted honorary membership in Alpha Chi. Motion carried. The honorees are as follows: Dr. John H. Davis, Professor of English, Chowan University; Dr. G. Blair Dowden, President, Huntington University; Dr. Deborah J. Hirsch, Associate Vice President for Academic Affairs, Mount Ida College; Professor Patricia Janutolo, Professor of Library Science Emeritus, Anderson University; Dr. Jack Lassiter, Chancellor, University of Arkansas, Monticello; Dr. Kina S. Mallard, Provost, Carson-Newman College; Dr. Astrit Mehmeti, Professor, DeVry University; Dr. Susan Naylor, Associate Professor of Music, Reinhardt College; Dr. J. Randall O'Brien, President, Carson-Newman College; Dr. Elana Zolfo, Vice President for Corporate Programs, Dowling College. Earlier in the year, Dr. Christina H. Wilson, McMurray University, was approved for honorary membership in Alpha Chi by e-mail vote of the National Council.

21. Resolutions Committee. The Resolutions Committee moved the acceptance of the resolutions put forth by the committee thanking those who have helped make the 2009 National Convention a great success. Motion carried. The wording of the resolutions can be found in the minutes of the National Convention Report.

22. Vice President and Convention Committee. Dr. Millsaps expressed thanks to everyone who helped in making the convention a success. She especially thanked the student representatives on the Council. She reported that the service project at Riley Children's Hospital was a moving experience for all involved.

23. Old Business. There was a discussion on planning the 2010 Combined Regional Convention to be held in Little Rock, Arkansas. Who will have responsibility for the different events? What will be the responsibility of the different regions? Will there be a service project? No motions were forthcoming.

24. New Business. Dr. Organ reported that one of the Nolle winners should have been in the Benedict competition. Organ/FitzGerald moved that the first alternate be given a Nolle scholarship and since the winners had already been announced, the misplaced student be allowed to retain the \$1500 scholarship. Motion carried. Tebbetts/Short moved to deny Bauder College's application for membership in Alpha Chi and to authorize the

president to appoint an ad hoc committee to develop and recommend policy with regard to institutions that are transitioning from two-year to four-year programs. The committee should specifically look at graduation rates for the four-year program and the percentage of students enrolled in such programs at a given institution, with a possible required minimum of 50 percent. Motion carried. Dr. Clemente raised the question, "Can we plan a national convention in San Diego without the National Council visiting San Diego?" The national convention in San Diego will be held March 30-April 3, 2011. After some discussion it was agreed that the convention could be planned without the National Council meeting ahead of time in San Diego.

25. Hearing no further new business, the Council then moved into executive session. Millsaps/Williams moved that Dr. Smolleck be appointed as Archivist. Motion carried. Dr. Youngblood reported on the results of the compilation of the evaluation forms on the executive director filled out by the members of the National Council. Pundt/Williams moved that Dr. Organ be reelected as Executive Director, Alpha Chi match the salary increase given Dr. Organ by Harding University, and turn over to Dr. Organ the hiring of staff. Motion carried. Janutolo/Williams moved that a floral expression of appreciation be sent to Dr. Organ and the staff of the National Office. Motion carried.

26. The Council returned to regular session. Hearing no call for further business, Dr. Youngblood adjourned the meeting at 11:48 p.m.

*Respectfully submitted,
Delano B. Janutolo
National Council Secretary*

Alpha Chi Proceedings Recorder, Vol. 52, No. 2, Fall 2009

2009 Executive Committee Meeting Minutes

1. The three members of the Executive Committee of Alpha Chi's National Council and the Executive Director, the Director of Operations, and the Chapter Relations Manager met at Harding University in Searcy, Arkansas, on 16 June 2009, for their annual meeting. The session was called to order at 3:20 p.m. Just prior to the meeting, Drs. Organ and Millsaps toured Little Rock's new Heifer Village facility, and the Executive Committee and the Executive Director met with Stacey Wheeler, Peabody convention services manager, for a refresher tour of the Peabody Hotel in downtown Little Rock, Arkansas, the site of the 2010 combined regional convention.

2. **Report of the President.** President Clark Youngblood welcomed the Executive Committee to Harding University and distributed the agenda. The agenda was approved by consensus. Dr. Youngblood expressed appreciation to the officers and national staff for their hard work in making the 2009 National Convention a success. He especially extended his appreciation to Dr. Ellen Millsaps for all her hard work in organizing an excellent convention.

3. **Report of the Vice President.** Vice President Ellen Millsaps also reported on the success of the 2009 National Convention. Her one disappointment was that the service project at the convention did not receive the national attention she had hoped it would receive.

4. **Report of the Secretary.** Secretary Janutolo reported that the minutes of the 2009 National Council Meeting and the minutes of the 2009 National Convention had been submitted to the National Office.

5. **Report of the Executive Director.**

A. **Finances:** Following the financial recommendations from financial advisor Chris Moore as voted by the National Council, \$130,000 from the endowment was moved into CDs to provide two years worth of a 5 percent draw on the endowment for fiscal 2008 and 2009. The Executive Director will meet with a local financial advisor regarding reallocation within the endowment into more conservative bond funds so the organization is not quite so vulnerable to market fluctuations. Ms. Noah distributed a Schedule of Investments as of 31 May 2009. The schedule showed a recovery of some of the losses of last year to our investments.

B. **New Member Registrations:** Dr. Organ was concerned about registrations for the first half of 2009. Registrations are running about 900 less than last year.

C. **Partnerships:** Dr. Organ presented a partnership proposal from Experience Career Services Platform. Experience would create a comprehensive, co-branded, Web-based career services platform for Alpha Chi. The platform will enable employers to target Alpha Chi members with internship and job opportunities. The partnership will be at no cost to Alpha Chi. The Executive Committee agreed by consensus that Dr. Organ proceed with establishing the partnership. It was also suggested by Dr. Organ that we establish a partnership with Kaplan as long as there is no exclusivity clause in our agreement with The Princeton Review. Again the Executive Committee agreed by consensus that Dr. Organ proceed with establishing the partnership.

D. **Outsourcing of Certain Office Functions:** Craig Cheatham, an alumnus of Alpha Chi and a Certified Association Executive, approached Dr. Organ to offer advice and referrals to agencies for outsourcing functions presently done at the National Office. He is willing to do a free analysis and present scenarios as to how Alpha Chi might work in the future. The Executive Committee authorized Dr. Organ to proceed in working with Mr. Cheatham. Dr. Organ and Ms. Noah expressed disappointment with the present computer system consultant with his lack of follow through. Mr. Cheatham has suggested the name of someone highly skilled in this area and reasonable in cost that might replace the present consultant. It is hoped that the consultant can help get the organization to the place that we can do on-line registration of new members. Also the Web site needs to be revamped. It was agreed to search for a new computer system consultant.

6. **2010 Combined Regional Convention.** The Executive Committee spent considerable time brainstorming for the 2010 combined regional convention. It was suggested that perhaps Region II could be responsible for decorating for the banquet. A suggested theme was "Multiple Talents, Multiple Opportunities."

Perhaps the opening banquet could give an overview of the convention by presenting videos or brief presentations on Heifer International, Central High School and the Civil Rights Movement, the Clinton Library, and the literacy project with Reading is Fundamental. After the banquet, dessert receptions would be held by the regions. The speaker for Friday morning could focus on the Civil Rights Movement, while the speaker on Saturday morning could focus on literacy. Regional lunches and business meetings would be held in the hotel on Friday. Friday evening there would be a panel discussion at the Clinton Library sponsored by Region III, followed by a tour of the library. Transportation would be provided on Friday afternoon for those who wanted to go to Little Rock Central High School and its new visitor's center.

At approximately 6:30 p.m., the Executive Committee adjourned for dinner and reconvened at 9:12 a.m. on 17 June 2009 to continue discussion of the 2010 combined regional convention. It was agreed that there would be a choice of service projects for the convention: Heifer International and a literacy project. It was agreed that the National Office would pay for Thursday night's banquet and dessert receptions, Friday's regional lunches (up to \$20 per plate), and Saturday's served, plated breakfast. The lunches are to be held within the Peabody Hotel. It was also agreed that the National Office would pay the \$3 entrance fee to the Clinton Library. It was agreed that there would be a small fee charged delegates (perhaps \$4) to cover transportation arrangements to and from Central High School (a rented shuttle or bus on a two-hour loop). It was agreed to keep the Region VII subsidy the same as at present. Over lunch the Executive Committee and national staff continued discussion about the combined regional convention.

7. **New Business.**

A. 2010 Convention Subsidy: Dr. Organ presented the following 2010 Convention Subsidy Proposal: Chapters within a 375-mile radius of Little Rock would receive a subsidy of \$150 per delegate for one sponsor delegate, one student delegate (who does not have to present on the program), and three students presenting on the program--for a maximum of \$750 per chapter. Chapters outside the 375-mile radius of Little Rock would receive a subsidy of \$250 per delegate for one sponsor delegate, one student delegate (who does not have to present on the program), and three students presenting on the program--for a maximum of \$1,250 per chapter. To qualify for the subsidy, delegates must stay at least two nights at the Peabody, the convention hotel. In addition, the traditional national convention subsidy of \$30 each per night for up to three nights for one sponsor and one student delegate per chapter would be continued for the combined regional convention. To receive this subsidy delegates must be staying at the Peabody, the convention hotel. Dr. Youngblood moved that the 2010 convention subsidy be accepted as presented. Motion carried.

B. Dues: It was moved by the Executive Committee that a proposal be brought to the 2010 National Council Meeting to increase the dues from \$30 to \$35, with \$1 of the increase going to the regions. Motion carried.

C. Evaluation Form: It was suggested that the convention evaluation form used in 2009 be revised as needed for the combined regional convention.

The meeting was adjourned at 1:30 p.m.

Respectfully submitted,
Delano B. Janutolo
National Council Secretary

Region I Report

Minutes

Dr. Karl Havlak called the meeting to order at noon on 3 April 2009, in the Regency E room of the Hyatt Regency Hotel, Indianapolis, Indiana. Minutes of the Regional Convention meeting held on the campus of Texas Lutheran University, in Seguin, Texas, 3 March 2008, were approved. Dr. Bill Short, secretary-treasurer of the region, distributed a roll sheet for schools and delegates to fill out.

Dr. Havlak summarized the decisions made by the Executive Committee in response to, and guided by, the business meeting of 2008 in Seguin on 18 August 2008, at the MCM Elegante Suites in Abilene, Texas.

- The Jim Kirby Convention Prize in Physics/Geology/Astronomy was established to be awarded at national conventions, and an endowment check for \$2,000 was approved to be sent to the national office.
- We increased the convention attendance subsidy for chapters in Region I to \$500 per one sponsor and one presenting student, and \$300 for one additional presenting student, for a maximum of \$1,300 per chapter.
- New chapters or reactivating chapters (have not attended any convention in eight consecutive years), will receive an additional \$500.
- We will award \$200 to each chapter's best presentation at a conference. (Chapter sponsors arrange for this decision about their own chapter).
- During September 2008 Karl will e-mail sponsors to get feed-back and, if approved, the above decisions will be final and publicized.
- During October 2008 the regional officers will make follow-up calls to chapter sponsors to increase enthusiasm for the national convention in April, give reminders and information about the Nolle/Gaston and Benedict/Sledge fellowships, and to remind sponsors of inductions and offer help.

Dr. Havlak announced the 2009 "Best in Chapter" presentation awards that had been communicated to him. Later notification made the list complete, and the winners are, in alphabetical order by school: Abilene Christian University, Jordan Ziemer; Angelo State University, Elizabeth Deming; McMurry University, Erin Bodiford; Midwestern State University, Thomas J. Gray; Texas Lutheran University, Casey Sorrells; University of Texas at San Antonio, Arturo Enriquez; and Wayland Baptist University, Patrick T. Aland.

Dr. Havlak announced and distributed the Star Chapter certificates for the academic year 2007-08 which were awarded to Angelo State University and Texas Lutheran University.

Dr. Bill Short distributed and commented on the Treasurer's Report for 2008.

The logistics, advantages, and disadvantages of next year's "Super-Regional" convention were discussed. There was some sentiment for the idea of having more scholarship awards for less dollars rather than increasing the dollar amount alone.

Dr. Havlak reminded members present to give travel subsidy forms and scholarship award forms to the Secretary-Treasurer and to note the dates of the 2010 convention in Little Rock, March 25-27.

Region II Report

Minutes

Dr. Jean Hendrix, vice president of Region II, called the meeting to order at noon on April 3 during the 2009 National Convention meeting in Indianapolis, Indiana.

Chapter Roll Call: Region II Secretary-Treasurer Suzanne Pundt called the roll of chapters, and the following 14 chapters were present: East Central University (OK Gamma), East Texas Baptist University (TX Alpha Zeta), Harding University (AR Eta), John Brown University (AR Lambda), Ouachita Baptist University (AR Beta), Sam Houston State University (Texas Omicron), Lyon College (AR Iota), Rogers State University (OK Iota), Southeastern Oklahoma State University (OK Theta), The University of Texas at Tyler (TX Alpha Xi), The University of Arkansas at Monticello (AR Zeta), The University of Arkansas at Pine Bluff (AR Mu), The University of Central Arkansas (AR Gamma) and The University of North Texas (TX Eta). A total of 16 sponsors and 45 students attended the convention from Region II.

Minutes of the 2008 regional meeting were approved as printed in the 2008 Proceedings Issue of the *Recorder*.

Audit Committee: Dr. Kenneth Chinn, Dr. Christine Pappas, and Dr. Tim Lindblom examined the financial records and found them to be in order. The committee recommended acceptance of the financial report with correction of the 2008 beginning balance from \$29,251.70 to \$29,248.73.

Gaston Scholarship Committee: Dr. Kate Stewart, Dr. Jim Ford, and Dr. Steve Butcher recommended Kendra Mullisin from John Brown University be awarded the 2009-10 Region II Gaston Scholarship. Joshua Looney from Lyon College was named the first runner-up.

Pryor Fellowship Committee: Dr. Jeanne Tunks, Dr. Carolyn Blakely, and Dr. Patricia Williams recommended Amanda Sorensen from John Brown University be awarded the 2009-10 Region II Pryor Fellowship. Jessica Brents from Lyon College was named the first runner-up.

Six chapters from Region II were named Star Chapters for 2007-08. Awards were presented to East Central University, John Brown University, Lyon College, Sam Houston State University, University of Arkansas at Monticello, and University of Texas at Tyler.

The region briefly discussed the 2010 super-regional convention to be held in Little Rock, AR, March 25-27, and then the meeting was adjourned.

Region III Report

Minutes

1. Dr. Gregory A. Clemons (Mars Hill College), president of Region III, called the business meeting to order at 12:02 p.m. on 3 April 2009 at the Hyatt Regency Indianapolis. He introduced the other attending officers of Region III: Dr. June Hobbs (Gardner-Webb University), vice president, and Dr. Jonathan Thorndike (Belmont University), secretary-treasurer. Dr. Clemons thanked the Alpha Chi sponsors and students for attending the convention. He asked the students who made presentations or received Nolle or Benedict scholarships to stand up for recognition.

2. Dr. Clemons announced that Dr. Judy Cheatham (sponsor from Greensboro College and past Region III officer) was elected to the Alpha Chi National Council as well as David Jones (Westminster College).

3. Dr. Clemons distributed minutes from the 2008 Region III business meeting in Asheville and asked for any corrections or additions. Dr. Millsaps (vice president of the National Council) noted that the transition towards a single unified Alpha Chi national convention would not require a revision to the bylaws, as had been stated in the 2008 minutes. The minutes were approved with this correction.

4. Dr. Thorndike distributed copies of the 2008 financial report and reviewed it. The Region III investment account value declined by more than \$55,000. Due to the economic recession, the 2008 stock market performance was terrible, and the expenses from hosting the 2008 Region III convention were very high. The account lost 52% of its value compared with a 32% decline in the Dow Jones Industrial Average for 2008. For several years, the financial advisor advised that the Region III portfolio was too aggressive and weighted too heavily towards stocks with no diversity in international funds or bond funds. With the approval of the Executive Officers, Dr. Thorndike accepted the recommendations of the financial advisor and exchanged the mutual funds to achieve a more balanced and diverse portfolio. The changes had not been made earlier because there was no incentive during a bull market, but the economic decline brought needed reexaminations and change. Dr. Thorndike advised that due to the precipitous decline in the account's value, Region III would not be able to offer generous chapter subsidies for the 2010 convention in Little Rock. The financial report was approved.

5. Dr. Cheatham and Dr. Millsaps reported on plans for the 2010 convention in Little Rock, Arkansas, at the Peabody Hotel. Region III will assume responsibility for planning some events at the convention such as a panel discussion related to the Clinton Presidency organized by Dr. Cheatham. There is still some uncertainty about this super-regional format and how the regions will be integrated into the national structure. Alpha Chi regions will host their own luncheons or dinner meetings. The national office will increase chapter subsidies to cover costs. Region III would like to maintain some continuity and individual identity since it has been one of the stronger regions and would like to demonstrate to the organization what we do best.

6. Dr. Clemons announced the name of the \$1,000 Region III Scholarship winner: Bethany Brown of Carson-Newman College for her research essay "Brothers With a King." Dr. Thorndike will send a letter and check to Bethany Brown.

7. Dr. Clemons recognized the Alpha Chi Region III Chapters winning the "Star Chapter" Awards. A student delegate from each chapter came forward to receive the certificate for each school. In order to receive the Star Chapter Award, local chapters must have a minimum of one sponsor and one student delegate attending the convention, a minimum of one student presentation, at least one Nolle and/or Benedict scholarship application, sponsorship of at least one scholarly program, new members must be inducted and registered, and the Annual Chapter Report must be filed with the National Office by September 1. Carson-Newman College, Catawba College, Chowan University, Gardner-Webb University, Lipscomb University, Methodist University, Milligan College, Roanoke College, and Strayer University earned this distinction for 2007-08.

8. In New Business, Dr. Floyd Tesmer (Strayer University) moved that Region III recommend that the Alpha Chi national office adopt an online process for the registration of new students by April of 2010. The motion was discussed along with the advantages over the present system, which is cumbersome and requires sponsors to gather information at too many points. The motion passed.

9. Dr. Clemons asked for input on the morale problem at many local chapters and how students might get more active and involved in Alpha Chi. He asked that chapters consider who might be next year's student leaders and possible candidates for Region III Vice President and Student Representative.

10. Dr. Clemons asked that graduating seniors stand up to be recognized, and any students currently accepted into graduate school could announce their chosen schools. The students named Harvard Divinity, Loyola, University of North Carolina, Appalachian State, Alabama, Howard, Mercer, and Duke as chosen for their future graduate programs.

11. With no further business, Dr. Clemons adjourned the meeting at 12:45 p.m.

Region IV Report

Minutes

Call to Order: President Laynah Rogers called the Region IV Business Meeting to order at 12 p.m., April 3, in Indianapolis, Ind. In attendance were representatives from the following nine institutions: Westminster College, Lindenwood University, Kansas Wesleyan University, Evangel University, Peru State College, Jamestown College, York College, Friends University, and the University of Sioux Falls.

Introductory Remarks: Dr. Rogers introduced herself, welcomed everyone to the meeting, and introduced the other Region IV officers: Vice President David Jones and Secretary-Treasurer Bill Clemente.

Student Representative Remarks: Region IV Student Representative Lindsey Woodland of Westminster College discussed her role in the convention planning and on the Alpha Chi National Council. General discussion followed about the banquet and evening festivities for students. Lindsey also talked with members about activities and places of interest available for students in Indianapolis.

Approval of Minutes: Members approved as submitted minutes from the Region IV Conference at Evangel University in Springfield, MO, on 29 March 2008.

Treasurer's Report: Dr. Clemente gave his report and explained to members budget concerns. He also distributed reimbursement forms.

Star Chamber Awards: Dr. Clemente presented Star Chapter awards to Westminster College, Evangel University, and Hastings College.

Region IV Scholarship: David Jones announced that Lori Rothermund of Hastings College, NE, won this year's scholarship for her paper entitled "The Phenomenological Symbol." Lori will receive a \$500 scholarship for the 2009-2010 academic year.

New National Council Member: Dr. Clemente announced that David Jones of Westminster College and Vice President of Region IV won election to the Alpha Chi National Council.

Super-Regional Conference in Little Rock, AR: Dr. Rogers discussed briefly the 2010 Super-Regional Convention scheduled for March 25-27 and expressed hopes that a good number of chapters will attend this first super-regional. Dr. Clemente noted that the Alpha Chi National Office will provide special funding for chapter sponsors and students who attend; the amounts will be announced in a couple of months. General discussion followed, and the meeting adjourned at 12:30.

Region V Report

Minutes

Region V held its business session on 3 April 2009, during the National Convention in Indianapolis, Indiana. The meeting was called to order by President Susan Herrick (West Liberty State College). Region V Secretary-Treasurer Blake Janutolo (Anderson University) called the roll. Delegates (13 faculty and 28 students) representing ten chapters were present.

It was moved and seconded that the minutes of the 2008 Regional Meeting held at Anderson University as recorded in the *Alpha Chi Recorder*, Vol. 50, No. 2, 2008, pp. 35-36 be approved. Motion carried.

Financial Report: Dr. Janutolo presented the secretary-treasurer's report. Region V continues to support travel subsidies for the regional and national meetings, as well as fund the yearly regional scholarships. The treasurer's report for 2008 was distributed and discussed.

Star Chapter Recognition: Dr. Janutolo announced that the following chapters from Region V received the Star Chapter Award for 2007-08: Anderson University, Huntington University, Saginaw Valley State University and West Liberty State College. Certificates were presented to these schools.

2010 Combined Regional Convention: Dr. Janutolo encouraged all chapters to be present for the combined regional convention in 2010 to be held in Little Rock, Arkansas. The dates are March 25-27, 2010.

Report of Audit Committee: Dr. Michael Van Dyke (Cornerstone University) and Dr. Paul Michelson (Huntington University) served as the Audit Committee for this year. They reported that the financial report for 2008 was accurate and all income and expenses listed in the report were supported by proper documentation.

Scholarships: President Herrick commended the student presenters for their efforts and quality of their work. A sincere expression of thanks was given to all those who served on the scholarship committees for their hard work. Winners of the 2009 Region V Scholarship and Fellowship were announced. The 2009 Regional V Undergraduate Scholarship was awarded to Caitlynn Lowe (Huntington University). The alternate was Heike Baird (Anderson University). The 2009 Region V Graduate Fellowship was awarded to Christopher Sutton (Huntington University). There was no alternate.

Dr. Janutolo led a discussion about the combined regional convention to be held in 2010. While it will be different from past regional conventions, most were excited about going to Little Rock. One concern centered around the need for local chapters to raise more money to attend a convention each year that required paying for transportation and lodging. In the past with the exception of a \$20 registration fee, Region V has completely funded the regional convention.

President Herrick called for any new business. Hearing none, she turned the meeting over to Dr. Janutolo for closing comments and the writing of reimbursement checks. The meeting was then adjourned and reimbursement checks were distributed.

Region VI Report

Minutes

The Region VI business meeting was called to order on April 3 at 12 p.m. by Ken LaSota, president of Region VI. All officers were present. Chapters present were: Bowie State University, Goldey-Beacon College, Hesser College, Marist College, Mount Ida College, Pace University New York, Pace University Pleasantville, Pennsylvania College of Technology, Robert Morris University, Roger Williams University, SUNY College at Brockport, University of New England, University of the Sciences in Philadelphia, and Wesley College.

Ten chapters requested Davis Awards for outstanding students. We need to expand the interest in the Davis Awards. All chapters in our region are eligible to name an individual who is the outstanding member of their local chapter. Most chapters failed to do this.

This year the region's only Star Chapter Award was presented to Goldey-Beacom College.

A motion was made to accept the minutes from the regional business meeting held at last year's national convention. The motion was made, seconded, and passed to accept last year's minutes.

The Treasurer's Report was accepted by motion.

Dr. Peg Fitzgerald reported that a student from Pace University, Josh Chicko, set up the Region VI website and helps keep it current. She asked anyone to send any information that you want posted to her and that she would pass it on to Josh. A motion was made and passed to give Josh \$100 for his effort on the region's behalf.

Little Rock will be the site for Alpha Chi's first joint regional meeting. This means that all the regions in Alpha Chi will come together forming some combined activities and some regional activities while in one location. Our region will sponsor a luncheon exclusively for Region VI. The current rate of reimbursement, which is \$700 per chapter (one sponsor and one student delegate) will remain the same. The national office will post its subsidies for this event at some future point. With both national and regional offices giving funding, this is one convention that should be affordable for the majority of our chapters.

The speaker in Little Rock will hopefully reflect the changes in our culture which occurred with the successful integration of our school systems. Since Little Rock and its Central High School was a focal point for this integration, Region VI would like to visit that high school.

The success of this year's literacy drive has encouraged the continuance of this endeavor in Little Rock. Alpha Chi will attempt to promote literacy at each of its convention sites. More information will be sent out as it becomes available. Heifer International is a non-profit organization that might merit some consideration from Alpha Chi. Based in Little Rock, it helps developing countries by sending live animals and grain to farmers in these developing communities to help them become self-sustaining.

The meeting adjourned at 12:50 p.m. See you in Little Rock in 2010!

Region VII Report

Minutes

Call to Order. Dr. Juliana Ee, Region VII president, called the Region VII Business Meeting to order at 12:05 p.m. on Friday, 3 April 2009 at the Hyatt Regency Indianapolis at State Capitol. She welcomed those present and entertained them briefly while others straggled in by singing a few tunes and explaining how her family was responsible for much of modern technology (Ee-mail, Ee-tunes, etc.) After this personal introduction she asked those assembled to introduce themselves as well, which they did in turn. Eight Region VII institutions were represented, tying the record for the most chapters from the Western region ever to attend a national convention. California Baptist University was especially welcomed, since this was the school's first convention to attend in many years.

Reading and Approval of the Minutes. The minutes of the 2008 Region VII business meeting of 8 March 2008 at Cascade College in Portland, Oregon, had been distributed before the meeting, so the Secretary-Treasurer did not read them formally. No additions or amendments were proposed. M/S/C (Bill Potter/Dan Crosby) to approved the minutes of 8 March 2008 as written.

Audit Report. Before the meeting commenced, Fay Nielsen conducted an audit of the Region VII's checkbook, bank statements, and receipts for the fiscal year ending 31 December 2008. On this review she reported that all the finances and financial documents were in order. M/S/C (Bill Potter/Michael Flachmann) to accept the auditor's report.

Treasurer's Report. Secretary-Treasurer Al Clark presented the Treasurer's Report, pointing out that the overall balance in the checking account and CD had dropped again by roughly \$2,000. This was part of Region VII's intentional policy of spending down its accumulated savings on student scholarships, research, and other support. He noted that the Region's annual income from national rebates and interest on savings had been fairly constant at \$3,000 per year for several years. The Region was meeting its goal of using its funds to help students, but a decision would need to be made in 2011 or 2012 as to what level should be reached and sustained: \$10,000? \$8,000? \$6,000? or some other amount? He recommended the decision be postponed for a few years so that the impact of the new super-regional conventions, which will replace the traditional regional conventions in 2010, could be evaluated. It was not yet clear what the total impact of the new even-year convention would have on Region VII finances. Depending on what happens the region might want to reduce the amount of convention subsidies to chapters rather than reducing the number or the value of the region's scholarships. Clark also noted some other uncertainties in regional finances such as the fact that some chapters have not in the past submitted reimbursement requests for convention attendance. In addition, he pointed out that IndyMac bank stopped charging service charges on Region VII's checking account after April, and that the early withdrawal on the Region's CD was needed to pay for larger than anticipated reimbursements. M/S/C (Bill Potter/Natalie Cammarata) to accept the Treasurer's Report as submitted

Region VII Scholarship. President Ee reported that the committee of judges for the 2009 Region VII Scholarship had not yet had the time confer. She said that she would circulate the name of the winner by email to all Region VII chapter sponsors.

Region VII Continuing Studies Scholarship. President Ee then stated that the winner of the Region VII Continuing Studies Scholarship was Natalie Cammarata of Cascade College, the Region's current student representative to the National Council of Alpha Chi.

New Business:

Oregon Epsilon Chapter and the Region VII Executive Council. President Ee sadly reported that that ever enthusiastic Oregon Epsilon Chapter of Alpha Chi would close on May 1, 2009 at the end of Cascade College's academic year when the college closed. She explained that she had conferred with Secretary-Treasurer Clark and Vice President Fay Nielsen, and it was decided that she would continue as Region VII President for the present. She hoped to find employment at another Alpha Chi school in Region VII. If she ended up moving out of the region, Vice President Nielsen would assume the regional presidency. The region's student representative, Natalie Cammarata, would continue even though Cascade College was closing, because in Fall 2009 she would begin graduate studies at George Fox University, a Region VII institution.

Discussion of the 2010 Convention. Since the 2010 Convention in Little Rock would be the first when all the regional conventions would be held concurrently in the same hotel, many issues still needed to be discussed. All of the regions had been asked to talk about super-regional convention issues of interest to them. President Ee read the list of convention "givens" which had been circulated by email, and those in the Region VII meeting proceeded to consider two items: the special travel subsidies that Region VII has always received for National Conventions in the past and, secondly, regional activities that might be allowed at the joint convention to help maintain regional identity. The group agreed that the special subsidies for Region VII conference attendance should be continued. Concerning regional activities, it proposed that a time be set aside on Friday at the convention for a regional meal and activity.

Star Chapters. President Ee and Secretary-Treasurer Clark recognized the following recipients of star chapter awards and presented them with their star chapter certificates:

Cascade College, Oregon Epsilon

Fresno Pacific University, California Zeta

Adjournment. The business meeting was adjourned at 12:55 p.m.
