The Arkansas State Department of Education requires successful completion of course work which addresses all Competencies of Teachers: Gifted and Talented, Grades K-12 (2014) from an approved program of study. In addition, the ADE requires passing the Praxis™ Gifted Education (5358), with score of 155 or greater. If you are not teaching in Arkansas, check with your state department of education for specific requirements for licensure in Gifted and Talented education.
