1. Scholarships are for full-time (12 hours) majors in the College of Bible and Religion: Bible and Religion, Missions, Youth Ministry, Christian Education, Preaching and Biblical Languages. Leadership and Ministry majors are NOT eligible for these awards. If the student changes his/her major or leaves school, the scholarship will be voided the entire semester in which the change occurs.
2. For the most part, Bible scholarships are funded by generous donors who have contributed considerable sums of money. Donors generally specify that scholarships be awarded to assist those who plan to work full-time in ministry for churches of Christ.
3. Scholarships are awarded on the basis of financial need, cumulative grade point average, character, service to others, professional promise, and clarity of personal goals.
4. Scholarship recipients are expected to show good faith by helping to plan and participating actively in opportunities for spiritual growth which are offered on campus. The student must actively participate in at least one COBAR organization. Examples of these organizations are Alpha Chi Malachi, Archaeology club, mission interest groups, etc.
5. Bible scholarships are NOT automatically renewed each year. **Students must reapply each spring for awards for the following academic year.**
