

Prerequisites to the Ed.D. in Educational Leadership P-20

Prerequisites

Prerequisites to the degree program include the following items:

1. A master's degree from a regionally accredited college/university.
2. A completed (or within 6 hours of completing) program of study (24 hours minimum above a master's degree) for a district-level license in leadership from a regionally accredited college/university.
3. A minimum of an initial building-level administrative license in leadership.

District Level Licensure program of study (minimum 24 hours above a master's degree)

I. District Level Licensure Core Courses in leadership (21 hours)

EDFD 647 Data Driven Evaluation 3
EDL 739 P-12 School Personnel Management 3
EDL 770 School Plant and Facilities 3
EDL 772 Superintendent and Board Relations 3
EDL 774 Advanced Leadership and Supervision 3
EDL 775 District Administrator Internship 3
EDL 778 Superintendency 3

II. District Level Licensure Elective Course in leadership (3 hours, completes the 24 hour district program)

This must be approved by the program director. It is strongly recommended that EDFD 652 Research Methods be used as the elective course if a recent research course has not been taken. Any courses taken as part of another degree cannot be counted toward this Doctor of Education degree in P-20 Educational Leadership.
