

Harding Aquatics Program

All of our programs are offered at the Harding pool in the Ganus Athletic Center.

- Enter the University at the Beebe-Capps entrance on Burks Blvd.
- Take the second right.
- The pool is in the southeast corner of the building next to a circle driveway.
- Enter directly into the pool area through the double black doors under a covered area.
- If you enter from another entrance to the Ganus Athletic Center, find the men's or women's locker rooms in the middle hallway and go all the way through to the back of the locker room to the door to the pool.
