

Harding University Policy on AP 2008-2009

Harding grants credit to incoming freshmen for courses completed in the Advanced Placement Program of the College Entrance Examination Board. A table of available AP exams, minimum qualifying scores accepted by Harding, courses for which qualifying scores may earn credit, and number of hours which may be earned, is printed below. No grade is assigned and no tuition is charged. A fee is charged for each course recorded on your transcript. Freshmen earning AP credit may take sophomore-level courses in the subject where credit was earned.
