

INSERTING IPA FONTS

1. Type your paper in 12-pt **Times Roman** or **Courier** font or any other font approved for professional writing by your APA guide (section 5.02, page 285).
2. When you are completed with the main content of the paper, go back and insert your IPA examples using the downloaded IPA font.
3. Place your cursor at the location where you wish to insert your IPA example.
4. Select **SILManuscriptIPA-Regular** from the font list.

5. From the **Insert** (top center of screen), select **Symbol**

6. Make sure font on **Symbol** screen says (normal text). Then select appropriate symbol and insert. Continue until you have completed that example.
