

## **DISABILITY STATEMENT FOR INTERNATIONAL PROGRAMS FOR HARDING UNIVERSITY**

The syllabus for each Harding University course carries the following statement:

**Students with Disabilities:** It is the policy for Harding University to accommodate students with disabilities, pursuant to federal and state law. Therefore, any student with a documented disability condition (e.g. physical, learning, or psychological) who needs to arrange reasonable accommodations must contact the instructor and the Office of Disability Services and Educational Access at the beginning of each semester. If the diagnosis of the disability occurs during the academic year, the student must self-identify with the Director of Disability Services and Educational Access as soon as possible in order to get academic accommodations in place for the remainder of the semester. The Office of Disability Services and Educational Access is located in Room 226 in the Student Center, telephone (501) 279-4019.

Since students on an international campus will not have access to the Office of Disability Services and Educational Access located on Harding University's Searcy campus, the student must self-identify with the International Studies office prior to being accepted for a semester abroad. Reasonable academic accommodations (e.g. extended time on tests, a quiet room/no distractions for testing, etc.) may be made by the faculty on an international campus. However, a doctor's statement will be required for a physical or psychological disability stating that the student is capable of fully participating in the rigorous travel itinerary (group and independent travel) as well as intense academics the semester he/she is abroad.
