## Course Information

### Course Communication Protocols

- Canvas Announcements will be utilized as the instructor's primary means of communication with students as a class. The instructor may also send emails to students Harding email account on occasions, especially for individual communication. Students need to communicate with the instructor via Harding email and can expect a reply within 24 hours during the week. Don't expect emails to be answered during the weekend.
- The very nature and depth of undergraduate studies mandate students participate in all course activities. Each student's participation is essential for the success of the entire class as well as the success of the student. True exchange of undergraduate level academic ideas and thoughts can only be achieved with everyone actively participating. Attendance of each in-person or synchronous online class meeting is expected. Classes will only be recorded if arrangements are made between the instructor and student.
- Please abide by classroom rules to allow for the best learning environment. These rules contribute to an impression of professionalism, something that should be very important to each student as they prepare for a professional career.

### University Mission Statement

Harding's [mission](#) is to provide a quality education that will lead to an understanding and philosophy of life consistent with Christian ideals. This involves the following goals:

1. **Generally, the integration of faith, learning, and living** - developing the whole person through a commitment to Christ and to the Bible as the Word of God, an emphasis on lifelong intellectual growth, and the encouragement of Christian service and world missions through a servant-leadership lifestyle.
2. **Specifically, the development of Christian scholarship** - while acknowledging dependence on God, stressing Christian commitment to intellectual excellence through a strong liberal arts foundation and effective professional preparation.
3. **The promotion of Christian ethics** - creating an atmosphere that emphasizes integrity and purity of

thought and action.

4. **The development of lasting relationships** - fostering personal and social relationships through interaction among faculty, staff, and students; and stressing a lifelong commitment to marriage and the Christian family.
5. **The promotion of wellness** - emphasizing that the body is the temple of the Holy Spirit and that lifetime health habits contribute to a better quality of life.
6. **The promotion of citizenship within a global perspective** - developing a Christian understanding of and respect for other cultures through an emphasis on liberty and justice.

### **Department Mission Statement**

Our program excels in developing highly skilled and professional graduates who are ready to impact their local and global communities by improving the lives of those they serve. Christian faculty and staff are invested in providing an unparalleled experience utilizing a comprehensive curriculum, contemporary technology, and state-of-the-art facilities to engage students in reaching their full potential, both educationally and spiritually. As a result, our students exemplify ethical leadership, critical thinking, and interprofessional collaboration to support top of the license practice.

### **Course Description**

Fall, Spring. Normal speech and language acquisition and growth from first vocalization to adult grammatical forms. Observation of clinical activity is required.

### **Integration of Faith and Learning Statement**

Speech pathology is a profession in which we stand in awe of God knowing that we are “fearfully and wonderfully made” in HIS image(Psalms 139:14). From children learning to speak and utilize language, to a grandparent learning to communicate again, the human body and its ability to develop, change, repair, and replenish is an amazing concept to see unfold. In my course, I hope to always incorporate the role that we as speech pathologists play as an instrument of God in the teaching, developing, and rehabilitation process.

### **Course Materials**

#### **Required materials:**

- Subscription to Master Clinician
- Levey, S. (2019). *Introduction to language development*. (2nd ed.). Plural Publishing, Inc.
- The instructor may also supply readings for this course on Canvas.

### **Textbook Rationale**

In this course, the students will have assigned readings and quizzes from those readings in Canvas. Students may opt in to access an online version of the textbook from the Brackett Library via a link that is made available in the Canvas course. Students will be able to access the online textbook as long as they are a Harding student. If a paper copy of the book is preferred, the students may purchase the book directly from the publisher, Amazon, or any other vendors.

## Grading and Assignment Details

### Grading Information

**Final grades will be based on the points listed below:**

15 points for class activities

10 points for observations  
25 points for Language Sample Analysis  
100 points for quizzes  
100 points for test 1  
100 points for test 2  
100 points for test 3  
50 points for Developmental Milestone Kit  
100 points for Comprehensive Final

**The following scale will be used:**

A=90-100%  
B=80-89%  
C=70-79%  
D=60-69%  
F=0-59%

- Extra credit/bonus points are included in the course requirements and class activities. Please do not email to ask for extra credit the week before or weeks after the final exam as it will not be granted.
- Grades are not gifts; they are earned. "Don't be upset by the results you didn't get with the work you didn't do." -Zigler.com

**Late work Policy**

- All assignments given are due according to the assigned time posted on Canvas. Students are allowed one turn in for late work. After one late turn in, further late work will receive a score of zero. All work must be turned in to pass the course.

**Course Assignment Details**

**Course Requirements- (must be completed to earn credit in this course):**

- Each student will complete a Developmental Milestone Kit with an assigned age given by the instructor. This project is set up for you to prepare a kit designed to build vocabulary, pre-literacy skills, and age-appropriate speech, receptive, and expressive language skills. The kit will be graded on materials chosen, skills targeted, and creativity. There will be both an oral presentation and written report. Further instruction surrounding the kit will be provided later.
- Each student will complete three hours of guided clinical observations and submit them using the appropriate format. All observation hours will be provided through Master Clinician Network (MCN) in class and guided under the direction of the instructor.
  - If three hours are not completed and turned in, the student will receive a zero for the assignment.
  - If a student turns in all 3 hours but did not follow the Observation Protocol or Calipso instructions, they will receive partial credit for the assignment.
  - If the student does not receive approval for the hours submitted in Calipso, they must make arrangements to meet with the professor to correct the submission errors before the semester ends. If a meeting is not scheduled with the instructor to make corrections to the

observation hours, the student will receive a zero for the assignment and the observation hours will not count for the class.

- If the student does not have Calipso, it will be their responsibility to enter the observation hours from this course once they have Calipso.
- Three exams will be given during the semester
- There will be eight to ten quizzes
- There will be several class activities planned around course material discussed.
- Each student will be introduced to a language sample analysis (LSA). \*More information will be provided in class.
- Updating entries into Calipso is a course requirement for every class in the CSD Department.
  - CSD majors who have Calipso must complete the summative portfolio assignment as outlined by this course instructor by the due date established by this course instructor.
  - If the student is a CSD major but does not have Calipso, they will need to upload the information once they have a Calipso account. The instructor will provide a list of information needed to upload into Calipso for this course.

### **Attendance & Participation**

- Students should communicate with their professors via email when missing class for a health issue. Three unexcused absences will be tolerated. Upon the fourth unexcused absence, the final grade will be lowered by one letter grade per number of days absent over 2. As stated in the Student Handbook, excessive absences can result in being dropped from the course with the grade of "F."
- Students who miss class for any reason are responsible for the content presented. Time will not be spent in class to go over material missed. If a student needs additional assistance an appointment must be scheduled with the instructor by e-mail.
- If an assignment, test, or quiz is missed during an excused absence, the student is responsible for making arrangements to make-up the missed item within one week. After that time, the grade will be a zero. The make-up exam will be of equal value (points) but may vary in format.
- Students with an unexcused absence will not be allowed to make up class activities, tests, or quizzes.

Attendance policy: [Harding University Attendance Policy](#)

### **Classroom Code of Conduct:**

- Any requests for quiz or test date changes must be approved ahead of time with a doctor or university note. No exceptions!
- Students are expected to read and complete assigned materials prior to coming to class and be prepared to participate in class discussions and quizzes. In order to be successful in knowing the course material, students need to ask questions. The instructor is not able answer questions to provide a more in-depth knowledge of the course material if students do not ask.
- Out of courtesy for all those participating in the learning process, all cell phones must be turned off AND placed in backpacks during class. Do not text, instant message, e-mail or use social media sites during class. The instructor reserves the right to mark a student absent if he or she is texting, instant messaging, e-mailing, or using a social media site during class.
- Written work must be reasonably correct in mechanics (e.g., spelling, grammar, punctuation, etc.). Points will be deducted for inadequate work.
- Submitting work taken directly from another source will be considered plagiarism and a violation of the academic integrity policy of the University. No credit will be given on the assignment.

- Students **MUST** seek the instructor’s permission to video or audio record a lecture due to copyright laws and HIPAA.
- Students are expected to follow the University policy regarding dress code, as well as any additional dress requirements for clinic while observing. A student may be asked to leave class or other activities if they are not in keeping with these expectations.
- No cheating will ever be tolerated.
- All exams will be taken in the classroom unless other arrangements have been made between the instructor and student.
- All phones and watches are to be placed in the student’s backpack during an exam. Any texting, instant messaging, e-mailing, or social media sites used during a quiz or exam will be considered cheating, and a zero will be given for the quiz and exam.
- In the words of Andy Stanley, ask yourself this question throughout the semester: “In light of my past experience, current circumstances, future hopes and dreams, what’s the wise thing for me to do?”

## Policies and Procedures

### University Policies

#### Drop and Add Dates

The official start date is August 22<sup>nd</sup> and the last day to add this class is August 26<sup>th</sup>. The course will end on December 16<sup>th</sup> and the last day to drop is November 30<sup>th</sup>. Please refer to the University's [policy regarding drop/add](#) if you have specific questions.

#### University Assessment

Harding University, since its charter in 1924, has been strongly committed to providing the best resources and environment for the teaching-learning process. The board, administration, faculty, and staff are wholeheartedly committed to full compliance with all Criteria of Accreditation of the Higher Learning Commission as well as standards of many discipline-specific specialty accrediting agencies. The university values continuous, rigorous assessment at every level for its potential to improve student learning and achievement and for its centrality in fulfilling the stated mission of Harding. Thus, a comprehensive assessment program has been developed that includes both the academic units and the administrative and educational support units. Course-specific student learning outcomes contribute to student achievement of program-specific learning outcomes that support student achievement of holistic university learning outcomes. All academic units design annual assessment plans centered on measuring student achievement of program learning outcomes used to sequentially improve teaching and learning processes. Additionally, a holistic assessment of student achievement of university learning outcomes is coordinated by the University Director of Assessment used to spur continuous improvement of teaching and learning.

#### Students with Disabilities Accommodations

It is the policy for Harding University to accommodate students with disabilities, pursuant to federal and state law. Therefore, any student with a *documented disability* condition (e.g. physical, learning, or psychological) who needs to arrange reasonable accommodations must contact the instructor and the Office of Disability Services and Educational Access at the *beginning* of each semester. If the diagnosis of the disability occurs during the academic year, the student must self-identify with the Office of Disability Services and Educational Access *as soon as possible* in order to get academic accommodations in place for the remainder of the semester. The Office of Disability Services and Educational Access is located in Room 226 in the Student Center, telephone, (501) 279-4019.

#### Code of Academic Conduct

Students of Harding University are expected to be honorable and to observe standards of academic conduct appropriate to a community of Christian scholars. Harding University expects from its students a higher standard of conduct than the minimum required to avoid discipline. Harding expects its students to conduct themselves as responsible citizens in a Christian community. Enrollment at the University is viewed as a privilege that brings the attendant responsibilities and accountability. In order to encourage Christian living and

growth, the University administers a student Code of Conduct. This code is provided to every student upon enrollment. Upon registration to the University, students acknowledge and agree to abide by this code. Harding University reserves the right to refuse admission or dismiss students whose lifestyle is not consistent with the Christian principles for which Harding stands; and when the general welfare of the institution requires such action. Students suspended for disciplinary reasons during a semester may receive a grade of “F” in all courses for that semester. Please visit the appropriate Harding University Student Handbook (undergraduate or graduate/professional) for further details.

### **Academic Integrity Policy**

Honesty and integrity are characteristics that should describe each one of us as servants of Jesus Christ. As your instructor, I pledge that I will strive for honesty and integrity in how I handle the content of this course and in how I interact with each of you. I ask that you join me in pledging to do the same.

Academic dishonesty will result in penalties up to and including dismissal from the class with a failing grade and will be reported to the Director of Academic Affairs. All instances of dishonesty will be handled according to the procedures delineated in the Harding University catalog.

### **Referencing Information**

As the accepted writing style of business, psychology, education, and social science programs across the globe, the American Psychological Association publication format (otherwise known as APA Style) is the required writing style for this course. Learning to conduct scholarly research is a natural part of academic work, and will help you succeed at Harding University. Conducting scholarly, professional and industry research is required for this course.

If a source is questionable, e.g., Wikipedia, other wikis, ask.com, answers.yahoo.com, etc., please contact your professor for clarity and permission before using a source that falls outside the scope of traditional academic standards. It is also important that you show how these references assisted your academic work; so make sure you reference your sources in every assignment you submit, no matter how mundane the assignment may be. Failure to properly and completely cite your sources may constitute plagiarism or cheating, as delineated in the Academic Code of Conduct. Bottom line, remember these two simple rules: 1) give credit where credit is due, and 2) if it isn't your words, ideas or thoughts, it is someone else's and needs to be cited.

- [APA Resources](#)
- [Purdue Online Writing Lab](#)

The Harding University Writing Center is also available to provide help with planning, writing, organizing, or revising an essay as well as with using MLA, Chicago, or APA formats. You can schedule an appointment with the Writing Center at [harding.mywconline.com](http://harding.mywconline.com) or ask questions via email at [HardingUniversityWritingCenter@gmail.com](mailto:HardingUniversityWritingCenter@gmail.com).

### **Turnitin**

During this course, the originality of various assignments submitted by students will be checked via Turnitin, an

organization leading the way in both plagiarism detection and student learning. Turnitin provides institutions, faculty, and students with a variety of academic tools, including originality checks, online grading capabilities, and even peer-reviewed feedback. Turnitin is integrated with the assignment settings used by the instructor when preparing assignments in Canvas.

### **Student Declaration**

Submitting an electronic document at Harding University constitutes an agreement with the following declaration:

- I affirm that the work submitted is of my own accord, is original, and contains the necessary and appropriate citations, where the work is of another source.
- I affirm that this assignment has not previously been submitted in any form.
- When submitting assignments to Turnitin, I acknowledge and adhere to its disclaimer Statements.
- To uphold Harding University's Academic Integrity Covenant

### **Academic Grievance Policy**

If a student believes that he or she has reason to question the decision of a faculty member with regard to the final grade received in a course or the denial of academic progression, a procedure has been established to resolve the grievance.

The student must initiate the written Academic Grievance Appeal within five business days after notification of the final grade in Pipeline or notification of denial of academic progression. In cases of both course grade and academic progression appeals, students are encouraged to first engage the involved faculty member in a good faith discussion (in person or via telephone or email) as the first step in resolving any concerns. If resolution is not achieved, a student may submit a written academic grievance by following [the policy set forth in the Harding University catalog](#). All students should be familiar with this policy.

### **Time Management Expectations**

For every course credit hour, the typical student should expect to spend at least three clock hours per week of concentrated attention on course-related work, including but not limited to time attending class, as well as out-of-class time spent reading, problem-solving, reviewing, organizing notes, preparing for upcoming quizzes/exams, developing and completing projects, and other activities that enhance learning. Thus, for a three-hour course, a typical student should expect to spend at least nine hours per week dedicated to the course.

### **Dress Code**

All members of the Harding community must dress with modesty and decency appropriate to the Christian lifestyle and consistent with professional employment standards. For these reasons, students are expected to adhere to a dress code, as described in the Student Handbook, which faculty, staff, and administration will enforce. Certain academic or extracurricular programs might have additional standards of dress.

## Course Policies

### Course Academic Conduct

All acts of dishonesty in any academic work constitute academic misconduct. As a student of Harding University, you should avoid all cases that will be construed as academic misconduct. This includes, but is not necessarily limited to, the following:

1. *Cheating*: Use or attempted use of unauthorized materials, information, or study aids in any academic exercise.
2. *Plagiarism*: Representing the words, ideas, or data of another as your own in any academic exercise.
3. *Fabrication*: Falsification or unauthorized invention of any information or citation in an academic exercise.
4. *Aiding and Abetting Academic Dishonesty*: Intentionally helping or attempting to help another student commit an act of academic dishonesty.
5. *Conduct unbecoming a professional while participating in a practicum, internship, field experience, or any similar academic experience*: Conduct unbecoming a professional includes, but is not limited to, standards of conduct stated in any Harding University student handbooks as well as standards and codes of conduct associated with professional organizations related to the student's academic discipline.
6. *Respect*: Students are expected to respect other classmates' opinions and ideas at all times. Since online students cannot see body language and other nonverbal cues, it is essential to word comments carefully and to refrain from such things as sarcasm, which can be taken negatively in the online world. Read posts for content and then read posts for context. If the message can be taken negatively in any way, the suggestion is to re-word the post until you are sure that it will not be taken defensively. Another key issue is to refrain from certain discussions that evoke strong reaction. This may include such things as:
  - Stereotypes of any nature, whether it be profession or class of people
  - Politics, no matter your personal leanings, respect should be shown in differences of opinions and ideas

### Inclement Weather

If inclement weather prohibits your participation in any element of this course, prompt communication with me is expected. Your personal safety is my primary concern. We will handle any instances that arise on a case-by-case basis.

### Academic Support Services
