The following classes will be offered Fall 2015. If you are interested in any of these courses, please fax the special student application to 501-279-4083 by August 1, 2015. If you have any questions, contact the Graduate Studies in Education office at 501-279-4315 or e-mail gradstudiesedu@harding.edu. If registering for classes, you must have your textbooks before classes begin.

If you have never taken a graduate course from Harding or plan to take a total of 6 hours or less from Harding, you should fill out a “Special Student Application which can be located at http://www.harding.edu/education/GraduatePrograms/. Applications cannot be filled out online; they must be printed off and faxed.

If you wish to apply for financial aid or have taken 6 or more graduate hours from Harding University already or plan to take over 6 hours in the future, you must fill out the “Not Seeking A Degree Application” (instead of the “Special Student Application”). To locate this application, go to http://www.harding.edu/education/GraduatePrograms/, look under “Not Seeking A Degree” and print off the application. Applications cannot be filled out on-line; they must be printed off and scanned and e-mailed to gradstudiesedu@harding.edu or faxed to 501-279-4083. To find out more about financial aid, please e-mail finaidgrad@harding.edu. Students who are seeking a non-traditional license (NTL) and taking 6 or more hours of classes may be eligible for financial aid.

On your fax coversheet, tell us in which class or classes you wish to register and then be sure to show up for class. If you wish to confirm your registration once you have sent in your application or have any questions, contact the Graduate Studies in Education office at 501-279-4315. Harding will not contact you, other than e-billing you a bill to your Harding e-mail at a later date. In some cases, the bill may not reach you until after the class has begun.

All students must activate their Harding student computer account. To do so, go to http://pipeline.harding.edu, click the link that says “Activate My Student Account.” After filling out the information, you will be given a Harding student number (H#) and a username and password. As a graduate student, this account will give you a Harding e-mail address and it will allow you to view and pay your business office account, view and accept financial aid records, view grades, order textbooks, get on Canvas, and access other services available within Campus Pipeline.

Between 1 and 3 weeks before classes begin, you should order your textbooks. Books can be ordered by going online through your Harding “Pipeline” account, or by going to http://hubookstore.harding.edu/Home.aspx, click on "Textbooks", "Select the Department", “Select Course”, and click on "Get Course Materials", and the textbooks for that particular course will appear. If this website is not working, then contact the bookstore at hutextbooks@harding.edu.

July 28, 2015
The cost for each 3-hour course is $1,317.00 for the 2015-2016 school year (which includes the technology fee).
