We’ve partnered with CEI to bring you Quality Preceptor Education!

CEI’s Preceptor Library includes a series of online, interactive educational activities that meet ACPE standards for education and professional development of preceptors. Including a monthly online journal club discussion - Login To Learn (L2L) - that allows preceptors and students to review and evaluate a clinical, primary literature article. Login To Learn is a LIVE webinar on the second Wednesday of every month from 12noon - 1:00pm (central). L2L is also available on-demand following the Live version.

As a Preceptor you can:
• Participate in activities at your convenience within your schedule
• Choose from a selection of activities that meet your professional development needs
