A certificate of insurance will be provided to the Experiential Site upon request.
   (i) Compensate the Experiential Site for Arkansas State Board of Pharmacy-issued pharmacy preceptor licenses as needed.

(b) Provide a qualified preceptor for students who are assigned to the Experiential Site for introductory and/or advanced pharmacy practice experiences.

(d) Retain full responsibility for the care of patients and maintain the quality of care without relying on students’ clinical training activities for staffing purposes. Any service rendered by students is incidental to the educational purpose of the pharmacy practice experience program.

(i) Permit the University faculty representative, where necessary, opportunities for reading the student's records as kept by the Experiential Site in order to evaluate student performance. The faculty representative will only have access to records from which all patient-identifying information has been removed.

(j) Retain the right to immediately return and dismiss from the Experiential Site any student whose behavior interferes with proper patient care or services or the smooth operation of the facility. Consultation between Experiential Site and University will precede any such action.

(k) Provide professional liability insurance in amounts of not less than one million dollars per occurrence, one million dollars in the annual aggregate, and three million dollars professional umbrella liability coverage for all Experiential Site employees, agents, officers, and directors. A certificate of insurance will be provided to the University upon request.
4. Representatives of the University and Experiential Site will meet at least annually to jointly review the use of the practice site facilities.

5. The University will not illegally discriminate in the assignment of students to this clinical pharmacy program because of sex, race, color, creed, national origin, age, veteran's status, or handicap where otherwise qualified.

6. To the extent permitted by law, the parties will indemnify and hold harmless the other and their respective directors, trustees, officers, students, agents, and employees for and against liabilities, causes of action, claims, damages, demands, costs, penalties and expenses (including reasonable attorney's fees and expenses incurred in the defense thereof) relating to personal injury or property damage arising out of the negligent acts or omissions of the indemnifying party in connection with their duties under this Agreement. Each party will give the other party reasonable notice of any claims made or suit instituted against it, which could result in a claim for indemnification.

7. This agreement will be governed by and construed in accordance with the laws of the State of Arkansas.

8. This agreement will begin on the date first written, and be automatically renewed annually, unless either party to the agreement notifies the other in writing of its intention not to renew.
