No student is eligible to attend HUA who is currently on academic, chapel or disciplinary probation on the Searcy campus. Any student who has applied and/or been accepted will automatically become ineligible if placed on any type of probation up until time to depart. Such individuals will be placed on a waiting list and may go only if there are openings after probation has been removed. In addition, a student must have an overall 2.0 GPA.

**Important information as you plan your HUA schedule:**

- HUA students are charged for 16 credit hours. A minimum of 12 credit hours must be maintained throughout the semester. If you enroll in more than 16 credit hours, you will be charged for those hours.
- HUM 2730 and a Bible course
- Eight semesters of Bible are required by the University for graduation.
- In general, students may only enroll in 6 hours of online credit while studying overseas. *
- While it is our intention to offer the courses listed, changes are sometimes necessary.

**HUM 2730 - World Civilization/Humanities (2-6) J.D. Yingling**  
**REQUARED.** An integration of the disciplines of art, drama, history, literature, music, philosophy, religion, and science, and their influence in shaping ideas and values in the selected area of the world. The course content will reflect the context in which it will be taught. Required of all students participating in an international program. May substitute for up to 6 hours selected from the following: ART 1010, THEA 1010, ENG 2010 or ENG 2020, HIST 2100 or HIST 2110, MUS 1010, PHIL 3010, or up to 3 hours of global perspectives. This course may be repeated for credit up to a maximum of 12 hours, provided the course is taken at different locations. This course may not be taken as a repeat for a completed liberal arts course or to satisfy an additional liberal arts requirement. *Determine how you intend to apply the credits, then enroll in the appropriate number of hours.* (Example: Student wants credit for ENG 2010 and MUS 1010; therefore, will enroll in 6 credit hours.) Credit may not be increased after the semester is completed. After the semester abroad, students may apply the credits to the appropriate course(s).

**HUM 2010 - International Studies (1-3) J.D. Yingling**  
Preparation for international experience in living and studying abroad. Enhancement in cultural sensitivity and practical matters of survival in a different cultural setting. Approximately 30 hours of classroom instruction. Research on the host country. *Fulfills 1-3 credit hours of the 6 hours required for Global Perspectives*

**BOLD 3005: The Lord and the Land (On Line) (2)**  
**REQUARED.** Course currently under development; description TBA

**COMM 1010 – Communication Principles (3) Kim Yingling**  
Instruction and practice in the theory and skills of public and interpersonal communication. Research, organization, and delivery of speeches. Development of critical listening skills for evaluative purposes. Emphasis on nonverbal, small group, and multicultural communication in a digitally connected world.

**KINS 1190 – Conditioning (1) Kim Yingling**  
Participation in exercises in order to improve physical fitness.

**KINS 1010 Wellness (2) J.D. Yingling**  
This course is designed to equip students with the knowledge, skills, and attitudes to enhance personal fitness and wellness now and in the future. Required of all freshmen. Does not count toward a kinesiology major or minor.

**BMIS 3000 - The World Christian (3) Tim Westbrook**  
This course may be taken only as a second Bible class. This course seeks to lead students to become World Christians by focusing on the theological, cultural, and contextual aspects of what God is doing in this world and by discovering how to participate strategically with God in his work. The course tackles tough questions about God and the lost. It also surveys a history of missionary heroes to discover personalities who exemplified missiological principles. *Fulfills 3 credits of the 6 hours required for Global Perspectives.*

*Continued...*
*PHS 1050 - Energy, Pollution and Society (On Line) (3) Dennis Matlock
Philosophy and methodology of science with emphasis on energy generation, distribution, utilization, and conservation and its impact on the environment. This class may make use of the testing center and/or may give exams outside of regularly scheduled class hours.

*MATH 1200 - Elementary Statistics (On Line) (3) Laurie Walker
Elementary statistical techniques; descriptive statistics, elementary probability, probability distributions, estimation, confidence intervals, hypothesis testing, regression, and correlation. This class may make use of the testing center and/or may give exams outside of regularly scheduled class hours.
