Summer Academic Institute Policies

HONOR THE HARDING DRESS CODE

- Extremes are not acceptable. Women: this includes halter tops, bare midriffs, and short and/or revealing skirts and shorts. Tops must have at least 2-inch shoulder straps. Men: Tank tops and body shirts are limited to athletic participation only.
- Shorts and skirts lengths must be no shorter than mid-thigh.
  - Runner’s length shorts (such as “norts”) are not permitted.
- Leggings are not permitted unless covered with appropriate clothing.
- Clothing with inappropriate advertising, pictures, and/or sayings that are contrary to the mission of Christian standards of Harding University is prohibited.
- Piercings are limited to the wearing of earrings and a small nose stud or ring.

HEALTH

- Students must provide a detailed and signed medical form. Students requiring medication must provide written instructions to Summer Academic Institute.
- Licensed health-care professionals are on duty daily serving the campus in case of illness and nearby Unity Health is used for emergencies. Any student diagnosed with contagious or communicable illness while at Summer Academic Institute must be withdrawn from SAI immediately for the safety of all students.

VEHICLES

- All students driving themselves to Summer Academic Institute will be required to turn in their keys to the Summer Director for the duration of their session. Students will refrain from using their vehicles for personal trips for the duration of their session. Only designated adult staff members will operate vehicles during the sessions.

ACADEMICS

- The Summer Academic Institute is an academic program that requires attendance and participation during the entire session. Students are enrolled in a 3-credit university course.
- By enrolling at the University, the student consents to the University photographing her or him for promotional and identification purposes.
- Cell phones are not to be used in class and/or any academic sessions beyond the classroom.
