

Request for Project Continuation

Date:

Proposal Number:

Title of Project:

Name and contact information for the Principal Investigator:

Submit this completed form to the IRB as an email attachment:
irb@harding.edu.

The project referenced above has been under way for nearly a year. I understand that I must submit this form by the deadline specified in the IRB manual and provide summary information to assist the IRB in its determination of my request for continuing review.

(In the space below, provide a project update, including but not limited to: (1) the number of subjects enrolled, (2) the summary of results to this point in time, and (3) publications or presentations that have resulted from this project.)

I certify that there have not been and will not be any modifications to my research protocol.

Signature of Principal Investigator
