

CLASS OF '72 LEGACY SCHOLARSHIP, For 2023-2024

Members of Harding University's Class of '72 established an endowed fund for the purpose of providing one or more scholarships each year for freshmen at Harding who are descendants of former Harding students. Over the past 23 years funds have been available from earnings of this endowment to present scholarships to 31 students. Currently a \$500 scholarship is given to the main recipient, and extra funds are used for honorable mention awards.

The next Legacy Scholarship will be given to a freshman entering Harding in the fall of 2023. Diligence, capability, leadership, scholarship, and financial need will be considered in awarding the scholarship in addition to a required essay on the topic, "What Harding has Meant to My Family." Application forms may be obtained by sending an email to d Duke@harding.edu. The deadline for completed application forms is June 15, 2023.
