  - $2,000
  - Zero Amount
Academic Scholarships

Academic Scholarships are awarded to admitted freshmen and are calculated on a combination of test scores and high school GPA. Scholarship amounts range from $2,000 to $11,000 per year for 4 years or 8 semesters. Improved test scores and/or a higher final high school GPA may increase the scholarship, but it will not be negatively affected by submitting lower test scores or a lower final high school GPA. Students may submit test scores through July after their senior year. Recipients must maintain a college GPA of 3.0.

Harding does accept ACT Superscores, but the official superscore must be reported by ACT, as it will not automatically be calculated. If students qualify for a higher scholarship based on GPA alone, they will be awarded under our test-optional scholarship criteria.

Test-optional Scholarships

Due to the impact of COVID-19 related to ACT and SAT test date cancellations and the ongoing reduced availability and capacity of testing centers, Harding University is offering test-optional admission and scholarship awarding for students applying for Spring 2022 and Fall 2022 start dates. Please note that an official test score will still be required to enroll in classes.

Test-optional Scholarships are awarded to admitted freshmen, even if Harding does not receive an official standardized test score. Award amounts are calculated based on current high school GPA. Scholarship amounts range from $2,000 to $9,000 per year for 4 years or 8 semesters. Students admitted without test scores may submit an ACT, SAT or CLT score through July of their senior year in order to qualify for higher scholarships. Improved test scores and/or a higher final high school GPA may increase the scholarship, but it will not be negatively impacted by submitted test scores or a lower final high school GPA. Recipients must maintain a college GPA of 3.0.

Test Optional Scholarships

• Honors Scholarship - $9,000: 4.0+ GPA
• Founder’s Scholarship - $7,000: 3.75-3.99 GPA
• Dean’s Scholarship - $6,000: 3.25-3.749 GPA
• Bison Scholarship - $2,000: 3.00-3.249 GPA

Test scores are still required to qualify for our premiere scholarships such as National Merit and Trustee Scholar Programs. Each student should also note the requirements for state-funded scholarships as their policies may still require test scores.
