Praxis II Licensure Data

The Praxis II content and Principles of Learning and Teaching (PLT) tests are administered by the Educational Testing Service (ETS) and must be passed for teacher candidates to be licensed in the State of Arkansas. Pass rates reported to us by ETS and are only available for tests with more than 10 takers. **At the undergraduate degree level, passing of licensure exams is not a requirement of degree completion and conference.**

Our overall pass rate for the alternate program Praxis testing is 100% due to the structure of the MAT program to pass all licensure tests except the Pearson Foundations of Reading test before degree is conferred. Since the pass rate is 100%, the individual Praxis test passing scores are not included in this report. However, the Pearson Foundations of Reading scores for the MAT program are included below.
