

HU Initial Teacher Preparation Completers working in AR Public Schools

Addresses CAEP Standards: R 3.1 & R 5.4

The information below has been returned to the EPP from the Arkansas Department of Education (ADE)'s request of the Title II completers for the 2020-2021 academic year and only represents those TRADITIONAL ROUTE completers the ADE identified as working in Arkansas PUBLIC schools in Fall 2021.

The thirty-five completers referenced here are a portion (36.5%) of the 96 completers from our four year-traditional and degree completion undergraduate teacher education programs from the academic year 2020-21. Twenty (20) traditional and fifteen (15) degree completion completers from the 2020-21 academic year were working in Arkansas P-12 **PUBLIC** schools as reported from the ADE in Fall 2021. These completers represent the following teacher education majors: Elementary (22), English (1), Health and Kinesiology (1), various Middle Level (5), Social Studies (1), Early Childhood-Special Education B-K (3) and Special Education K-12 (2).

There were thirty (30) females and five (5) males and the races/ethnicities of those working in AR public schools from this academic completion year are Hispanic (3), 2 or more ethnicities (2), and White (30).

Additional information returned to the EPP from the ADE's request of the Title II completers for the 2020-2021 academic year and represents those ALTERNATE ROUTE program completers the ADE identified as working in Arkansas PUBLIC schools in Fall 2021.

The twenty-seven completers referenced here are a portion (62.8%) of the 43 completers from our alternate licensure program from the academic year 2020-21 that were working in Arkansas P-12 **PUBLIC** schools as reported from the Arkansas Department of Education in Fall 2021. These completers represent the following teacher education majors: Biology (2), Chemistry (1), Drama/Speech (1) Early Childhood – Special Education (2), Elementary (2), English (3) Health and Kinesiology (3), various Middle Level (3), Social Studies (2), Spanish (1), and Special Education K-12 (6).

There were seventeen (17) females and ten (10) males and the races/ethnicities of those working in AR public schools from this academic completion year are Hispanic (3), and White (24).
