Why fit in when you were born to stand out?
- Dr. Seuss

I’m not sure I ever fit in anywhere. I try to be kind to everyone. I seek to serve my profession and my passion. People tell me it’s not marketable. They tell me it is too hard. But here I am, 45 years into a career that does not conform to the norms, practicing my faith and my art and teaching others that it is noble and right to pursue your dreams. And here you are, sitting in the audience, cheering on the performances and artistic work of our students and contributing to their service.

The ability to stand out is a Christian characteristic. We should be known for our love for others. We should be identified by our integrity. We should be inspired by a higher purpose. The glory we seek is not our own. And that glory to God can be found onstage just as it is found in a lab. It can be found in a painting just as it is found in an algorithm. It can be found writing a coda just as it is found writing a program code. It can and must be found in every avenue of life. After all, we are called to go into all the world.

Spring Sing 2023 celebrates the ability to Stand Out from the crowd. The students of Harding University never cease to amaze me and capture my heart. They are unique. Their experiences are shaping them to be people who love, trust and inspire others. Why would we ever want them to conform to the world’s view of life? Let’s Stand Out! Welcome to Spring Sing 2023.

Favorite Harding moment: “My favorite moments at Harding have included meeting people from all walks of life and getting to engage in meaningful conversations. Whether it was the people I traveled with while studying abroad in Florence, members of my social clubs I chat with over coffee or friends I met through Spring Sing, my time at Harding has been full of sweet friendships.”

Favorite Harding moment: “Many of my most treasured memories come from opportunities to have amazing experiences all around the world with some of my best friends and favorite professors. My time studying abroad at HUF in Summer 2021, traveling with the communication department to New York City to cover the 20th anniversary of 9/11, and the communication department trip to New York City in January 2022 were some of the most impactful, special and unforgettable times of my Harding experience.”

When college student Mike Williams finds himself in desperate need of a break, he decides to play sick and cut class to have fun with his friends instead. Throughout the day their escapades take them from a jazzercise class to the roller rink and a charity race — spreading joy everywhere they go. Despite facing opposition for breaking the rules, in the end Mike unites the student body by reminding everyone of the importance of taking a day off and living in the moment.

Stress about their final exams is smoldering among Fire Academy recruits and flares up as the newbies learn the veterans are retiring and passing them the torch. Are they ready? Is danger ahead or just boredom and false alarms? Will they be heroes or failures? Will they pass the real-life test and save the day?

Anna Caldwell falls asleep listening to music on her computer like any other teen. The music turns her dreams into a time-traveling experience, and she visits the '40s, '60s and '80s trying to find the perfect time for her. Then a computer crash changes her dream into a nightmare and pulls her back to reality. Maybe this is where she needed to be all along.

It’s the classic rivalry between bikers and surfers as they fight over the best hangout spot in town — The Shack! What they don’t know is that Mr. Walton — Sam Walton that is — has something else in mind for that property. Will the bikers and surfers be able to save The Shack from Mr. Walton’s big business plans, or will their rivalry stand in their way?

At Harding, she was a Spring Sing club show participant and director and also worked backstage and as a follow spot operator.

Morris R. Ellis was a member of the theatre faculty from 1972-2013 and worked as scenic designer/tech director and staging director. Morris also was involved in starting Searcy Summer Dinner Theatre and served as adjudicator at Arkansas Thespians for 20 years. Morris holds a bachelor’s degree in accounting from Harding, a master’s degree in theatre and public address from Stephen F. Austin State University and a doctorate in fine arts from Texas Tech University.

And on a personal note from the Harding Theatre Department – we would not be able to give you the beautiful gowns, stunning sets and special effects, and energetic dance numbers you are seeing on stage today if it were not for the hard work that Dr. Morris Ellis put into building up our Theatre program. Lifelong friendships, connections, and memories are made each year as a result of Spring Sing. Please take the time this weekend to reach out to a teacher or mentor who has stood out and made an impact on your life.

Welcome to Spring Sing 2023!

Future Bisons, alumni, parents and students, we are honored to have you on campus to celebrate a special Harding tradition — Spring Sing! For nearly 50 years, our highly talented students have planned, practiced and performed in friendly competition to support causes that are close to their hearts. It is that intersection of talent and passion that leads us all to our inspired purpose.

These students are inspired by faculty, staff, club sponsors and each other to live lives of significance that are intimately engaged in service to others. These influencers are making a difference on stage tonight, in the classroom next week and in all the world very soon. Sharing in their lives is always a blessing, and I’m so glad you get to experience that blessing this weekend.

I invite you to take your seat and enjoy the show!

Dr. Mike Williams
President, Harding University

COME BACK for HOMECOMING!

Nov. 3-4, 2023
You Can't Take It With You
June 15-18, 22-24 and 29-July 1

The story centers on a conflict between two families with drastically different outlooks on life, the Sycamores and the Kirbys. Their fates become entwined when the oldest Kirby son falls in love with the Sycamore daughter. The play ultimately shows audiences the importance of living to the fullest and remembering what is actually important in life.

The Marvelous Wonderettes!
July 20-23, 27-29 and Aug. 3-5

This smash Off-Broadway hit takes you to the 1958 Springfield High School prom, where we meet Betty Jean, Cindy Lou, Missy and Suzy: four girls with hopes and dreams as big as their crinoline skirts! As we learn about their lives and loves, the girls serenade us with classic '50s hits including “Mr. Sandman,” “Dream Lover” and “Stupid Cupid.” In Act II, the Wonderettes reunite to take the stage and perform at their ten-year reunion. We learn about the highs and lows the girls have experienced in the past decade and are charmed to find that no matter what life throws their way, they will conquer it together.
