JOIN THE PRESIDENT'S COUNCIL

THE PRESIDENT'S COUNCIL HAS PROVIDED more than 50 years of service to the University. With both energy and generosity, council members have a distinguished record of faithful support.

The council includes alumni and friends who are committed to the mission of Harding University and act as:

- Partners in our noble cause of Christian higher education
- Prayer warriors for our community
- Goodwill ambassadors for the name of Harding
- Recruiters of students
- Networkers for our graduates
- Providers of advice related to Harding's well-being

Commitment is also shown through contributions to the President's Council Scholarship Fund. We are seeking a multi-year commitment (**typically three years**) at the levels listed. This can be set up monthly or however is best for you. You would join members across the nation who love Harding and the Christian atmosphere that our students experience.

If you are interested in joining the President's Council or learning more about this opportunity, please contact the Office of University Advancement at 501-279-4312 or email presidentscouncil@harding.edu. We would love to partner with you in this journey.
